“Blessed are the poor in spirit, for theirs is the kingdom of heaven.” (Matthew 5:3)
 “Poor in spirit” is confusing for many of us. It simply means to place your trust in God, putting His will first and being strong in faith. As we celebrate the lives of the saints on All Saints Day, remember, we, too are called to be saints. Dialing down our own pride and ego and turning up the humility will help us on our path to sainthood.

Life Peace Justice Everyone Can Take Action

My name is Denise Brock. My family and I have been Assumption parishioners since 2006. I am employed with the Centers for Disease Control & Prevention (CDC). Years before I was born, my parents, Chris & Evelyn Davis were employed by Mallinckrodt Chemical Works in St. Louis, Missouri. Both have since passed away; my father at the young age of 52 from lung cancer and leukemia, my mother from heart disease & colon cancer.

Part of my role as an Ombudsman for the CDC is to assist former workers (or their surviving family members) & sometimes even current workers, in obtaining compensation for illnesses (even death) due to their employment in the nation's nuclear weapons industry. The compensation stems from legislation passed in 2000 called the Energy Employees Occupational Illness Compensation Program Act (EEOICPA). To date, over 11.5 billion dollars has been paid out nationwide. This is tax-free compensation. Workers who are living & have been approved are also eligible for medical coverage, including up to 24 hour in home care paid for in full by the Department of Labor.

There are 379 facilities across the United States that were involved in this type of work. Mallinckrodt had three facilities in Missouri; one in St. Louis, one in Weldon Spring, & one in Hematite. The St. Louis airport, Latty Avenue in Hazelwood, Tyson Valley Powder Farm and West Lake Landfill are all dump sites from the radioactive tailings & waste that was left behind. **(Many of you may have noticed news coverage mentioning an underground fire heading towards radioactive waste stored in West Lake Landfill. The radioactive tailings came from uranium processing at the St. Louis Mallinckrodt site for the Manhattan Project.)**

My mother was the first recipient of this compensation for the Mallinckrodt employees. She was awarded \$150,000 for my father's cancer, \$125,000 for his death & another \$50,000 for wage loss. If you or anyone you know worked at Mallinckrodt (or any of the other 370 plus) facilities, PLEASE call The Atomic Resource Coalition (ARC) 636-238-4505. There is no cost to file, it is not a law suit, nor does it require an attorney. We have other parishioners who have also been recipients of the compensation. We can provide you with a list of the other facilities upon request. ARC is a nonprofit agency and will assist you free of charge.

I would also like to ask that as many as possible come to

see a documentary "The Safe Side of the Fence" which stars a few of our parishioners. The film won "best documentary" & "best director" in the St. Louis film festival and sold out in July at the Tivoli Theatre. It is now showing across the nation, it is in the International Film Festival, & may be nominated for an academy award. Below is a synopsis of the film.

Today's nuclear industry was born in secrecy during World War II, as America searched for a way to create the world's first self-sustained nuclear chain reaction -- a process that would culminate in the creation of the world's most powerful bombs. Code-named the Manhattan Project, the mission first needed to identify a source capable of refining massive amounts of uranium. Edward Mallinckrodt Jr., who ran a small chemical company in St. Louis, agreed to take on the job. As a result, Mallinckrodt's employees became some of the most contaminated nuclear workers in history, and the city of St. Louis was left to deal with the considerable fallout that resulted from the company's creation of the world's first nuclear waste. Seventy years later, the city's nuclear legacy continues to have damaging effects, and the steps required to keep workers and the public safe from these dangerous materials presents a seemingly never-ending challenge.

The Film gives an account of real lives; real people and families that span decades and generations. In that, and also by focusing on the relationship between several sites, the viewer is led on a journey of ever deepening and incremental realization regarding a very complex web of interconnectedness between facilities involved, from the inception of the Manhattan Project to present day. It shows how the industry and contractor/agency relationships, worker issues, community and environmental issues, compound over time despite the years that may pass and all the changes that could occur - different job descriptions; different contractors; different workers; new communities who have no idea of the toxic legacy next-door; etc.

Please come out and support this important film, our participating parishioners, as well as our nation's nuclear weapons workers. "The Safe Side of the Fence" November 11, at 7:00 pm, Admission Free, Saint Louis University's Center for Global Citizenship 3672 West Pine Mall, St. Louis, Mo. 63108.

If interested in a round trip bus ride, please call ARC 636-238-4505 to check for availability.

God Bless!

ALL SOULS DAY – November 2nd

All Soul's Day (sometimes called the "Day of the Dead") is a Roman Catholic day of remembrance for friends and loved ones who have passed away. All Saints' Day, together with All Souls' Day is known collectively as Allhallowtide. All Souls' Day remembers all those who have died, not just the great and the good, but the ordinary person on the street. At the 7pm Mass on November 2nd we will bring forward our Book of Remembrance to honor your friends and family who have gone before us.

Blessing of the Assumption Columbarium

At our 7pm Mass we will process to the Columbarium after communion for a blessing of this holy place. We will dedicate our newly constructed Columbarium to be an inheritance in the land of the living for all those placed there, through the intercession of the Blessed Virgin Mary's most holy Assumption. May this place, prepared in the sure and certain hope of the resurrection, never cease to remind us of the life that we are to share.

There will be a simple fellowship reception in Hall C immediately following the 7pm Mass for all who would like to gather.

Assumption St. Vincent DePaul Christmas Sponsorship Program Sponsor Interest Intake Form

The Assumption St. Vincent DePaul organizes a Christmas program each year that provides assistance to needy families in the area. An important part of this program is connecting families, individuals and businesses interested in sponsoring a family for the holidays with individuals and families in need of the help.

Persons being sponsored are usually provided with a Christmas gift or two, possibly some needed household items and a food basket. Sponsorships can be "open" or "closed", where "open" sponsorships involve both parties meeting each other in person. A "closed" sponsorship means that both parties are kept anonymous. St. Vincent DePaul coordinates matching compatible parties together and the delivery of items in "closed" sponsorships.

Now is the time to discern your desire to help others during the Christmas season.

Use this form to notify St. Vincent DePaul of your willingness to sponsor a family or person for Christmas.

As we mark All Saints Day we begin our celebration of National Parish Religious Education Week. This year's theme is "Encountering Christ Every Day," which celebrates our focus on lifelong faith formation. As parish leaders and catechists, we journey with adults, youth, and children as they encounter, know, and love Jesus Christ and the Catholic Church more deeply through our religious education efforts. Encountering Christ Every Day: In Our Worship. Encountering Christ Every Day: In Our Learners, Leaders, and Catechists. Encountering Christ Every Day: In Our Community. Please continue to pray for our parish community.

Vocation Awareness Week

On this Solemnity of All Saints we begin National Vocation Awareness Week. Let us remember those who have given their lives in service to the Church by renewing our own baptismal commitment to serve the Lord. We pray that more men and women will hear God's call to the priesthood, diaconate or religious life and will be open to that possibility. If you are interested in working with the lay apostolate recognized by the Vatican to promote and encourage vocations, join the Serra Club of St. Charles by contacting Geoff Waldron (636-385-6409) Saint Junipero Serra, Pray for us!

Please mark your calendars for Saturday, November 21 for the annual Boys Scout food drive. It will be held at the K.C. Hall from 10:00am until probably about 2:00 pm. We will need help with sorting, packing and transporting the food from the hall to the pantry. If you have a pick up truck and can lift, we could really use your help. The turnout in the past has been wonderful and many hands make quick work! Coffee and donuts will be provided. Thank you for all the help and support you have given us.
