*May you find Christ here...  
may you bring Christ to the world.*

Foods Resource Bank and our model of the Growing Project was introduced to 18 Lutheran Pastors in the Southern Conference of Illinois. They were fascinated, intrigued, and excited about starting projects of their own; and they were delighted at our newly formed relationship... based on our common humanity, Christian beliefs, and a desire to facilitate sustainable agriculture in developing countries.

## Prayer Team Ministry

Next weekend (May 2/3) and each month on the first weekend of the month, you are invited to come forward for prayers after any Mass. Whether you are in need of prayers for yourself or a loved one, we will have prayer teams available in the Guadalupe Room after the closing song.

## Baptismal Preparation Class

All parents are required to participate in a class of Pre-Baptismal instruction before having their child/children baptized at Assumption. For expectant parents it is often better to attend this class before baby is born.

Call the Parish Office at 240.3721 to schedule a class.

PRAYER • PARTICIPATION • GENEROSITY

S T E W A R D S H I P

*"I am the good shepherd...and I lay down my life for the sheep...and they will heed my voice."*

- John 10:14-16

When you pray, do you only ask Jesus for things that you want? Do you ever ask Jesus what He wants you to do? How do you listen for the response? The answer is usually in "quiet whispers". Take time in silent, daily prayer to hear His answer.

## The RCIA Journey

### Blessed Easter!

We extend thanks to so many people who helped with this year's journey. First, we thank God for His spiritual guidance in all things. These neophytes have been such an inspiration to all who know them. To all the parishioners who sent prayer cards, gifts and words of encouragement we thank you. The prayer cards were given to them on our spiritual retreat day and their response was more than awesome at the community support. For all the people who volunteered to provide us with snacks throughout the year we can't say enough. Please know that we enjoyed the many varieties. To the sponsors who provided their unselfish time in order to share their faith. You are awesome! To Fr. Andy for his guidance in our program and his many interviews with the participants, thank you! You are a blessing to our team. Fr. Mitch, thank you for coming down on occasion and having lunch with us. And finally, thank you to our youth group for sponsoring the stations of the cross on our retreat day. What a spirit filled afternoon with you. As we look forward to a new program starting in August, if you have a family member, neighbor, or anyone wanting to learn more about the Catholic Church please call Missy Lowery, Coordinator of the RCIA. Her number is 314.630.3983.

### Are you free in the morning...?

Our parish performs roughly 40 funerals every year; sometimes more, sometimes less. Every funeral Mass is a special opportunity to welcome visitors and show them how we make Christ's love known in our

every gathering.

Every funeral Mass needs a sacristan... someone to set things up for the Eucharist. Right now, all of those funerals have been lovingly served by 3 funeral sacristans. If one is sick and another is out of town, that means 1 good, and faithful servant is on his/her own to handle whatever funerals are scheduled.

Do you love the Eucharist? Do you enjoy making people feel at home? Are you a behind-the-scenes kind of person? You would make a wonderful funeral sacristan! For most of our funerals, you'd be sharing a couple hours of your morning, usually between 9:30am and 11:30am, to help with set-up, a couple of behind-the-scenes things at Mass, and clean-up. No previous experience necessary. Please call Amanda at 636.240.3721 ext. 240 or email [Amanda.assumptionbvm@gmail.com](mailto:Amanda.assumptionbvm@gmail.com).

## Annual Catholic Appeal

*Where there is sadness... Joy.*

Last year, Pope Francis challenged his fellow priests to be "shepherds living with the smell of the sheep." Our Holy Father called them and us to offer Christ's grace and peace to the poor and marginalized.

In today's Gospel, Jesus reminds us that He is "the good shepherd" and promises to "lay down his life for his sheep" (John 10:11). We, in turn, are called to sacrifice for others.

The *Annual Catholic Appeal* offers each of us an opportunity to shine light, bring hope and spread joy to our neighbors. Like Christ, the Good Shepherd, we seek to lay down our lives for the sheep. A gift to the *Appeal* is a reflection Christ's love and peace, offering hope and healing a world in need.

The ACA (Annual Catholic Appeal) continues this weekend and next weekend at Assumption. Please stop by the tables in the narthex and complete your pledge card today. We ask that you sign your card even if you are not able to contribute this year. Doing so will eliminate the need for follow-up by the Archdiocese.

For questions, contact Steve or Marcia Schmitz at [schmitz80@gmail.com](mailto:schmitz80@gmail.com) or 314-422-0416.

Mark your calendar for: Assumption's Appreciation Dinner Dance is scheduled for Saturday, June 13!

## PSR News

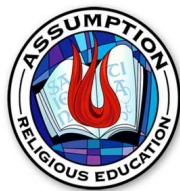

You are cordially invited to attend May Crowning on May 5th or May 6th, from 6:00 – 6:30 pm in Church.

It is our tradition to offer May Crowning to our families in PSR during the last evening of formal class before the summer. We would love for you to join us as we honor our Blessed Mother.

**PSR Registration is now open.** To register: Contact Krista Kenkel at [abvmpr@yahoo.com](mailto:abvmpr@yahoo.com), 636.240.1020 or go the parish website, look under “Religious Education” and print the registration form and send to the PSR/Religious Education office.

Grades 1-8:

Classes are on Tuesday or Wednesday from 6:00-7:30 pm. Classes run from September 8/9, 2015, through May 3/4, 2016.

## Thank You Assumption

### From Sts Joachim and Ann Care Service

Your caring response to the needs of others is greatly appreciated. We would like to thank you for your recent contribution.

Sts Joachim and Ann Care Service is the largest comprehensive social support agency in our three-county area of St Charles, Lincoln and Warren, addressing homeless prevention issues with case management, advocacy and integrated services. Our goal is to help break the cycle of poverty and impact systemic change in the lives of those we serve by providing hope and the necessary foundation for getting them back on the path to sustainability. The Care Service works with a purpose to protect families, especially children, the elderly and disabled, regardless of race, age, gender or religion, from the despair, hopelessness and social injustice caused by poverty.

## The Cry of the Earth

### Make Everyday Earth Day!

**Awaken Your Senses.** Nature is all around you, even in the city. Just step outside, and nature is right there. Is it windy? What do the clouds look like? Is it sunny? What is the first bird that you hear?

**Use Less Water.** Turning off the tap while you brush your teeth will save four gallons a minute. In the shower, turning off the water while you shampoo and condition your hair can save more than 50 gallons a week.

**Attack the Energy Monster.** Always turn off the lights when you leave a room, and replace incandescent bulbs with compact fluorescent bulbs (CFLs). Use the minimum amount of outdoor security lights by setting them on a timer or motion sensor so they turn off during the day.

**Commute Without Polluting.** Take mass transit or at least car-pool if you can.

**Know the Top 10.** According to the National Recycling Coalition, these are the top 10 most important items to recycle: aluminum, PET plastic bottles, newspaper, corrugated cardboard, steel cans, HDPE plastic bottles, glass containers, magazines, mixed paper and computers.

**Just Say No to Paper and Plastic Bags.** The average consumer makes 1.9 trips to the grocery store every week. If you take home two bags each trip, that's about 200 bags a year. Even if you recycle your bags, it's better not to use them in the first place, due to the energy used to produce those bags. Instead, carry your stuff home from the store in a reusable tote bag.

**Put a Cap on Bottled Water.** Roughly 50 billion plastic water bottles end up in U.S. landfills each year, which is 140 million every day. Head out to buy some refillable water bottles.

**Buy Locally Produced Food.** When you do, you are helping reduce the pollution and depletion of resources associated with the transportation and packaging of food. On average, domestically grown produce sold in conventional supermarkets has traveled some 1,500 miles from farm to table.

**Avoid the “Print” Button.** It's an obvious one – but really, think twice before printing from the computer. You can read most documents and magazines online, and you can pay many bills via the web these days. When you do print, use both sides of your paper as much as possible.

**Buy items secondhand whenever possible.** Used goods don't require additional resources.

**Turn down the water pressure on your sinks** in order to cut down on your water use.

**Unplug your appliances and power strips** when you aren't using them. Even if electronics are “off,” you waste electricity when they are connected to a socket.

**Take unwanted electronics to a proper e-waste recycling center.** Putting them in the normal trashcan means that they'll pollute in a landfill rather than being repurposed safely.

**Enroll in paperless billing programs.** It's a waste to have bills and statements mailed to you each month when you can receive the same information in the form of an email.

**Check your insulation regularly.** You could be wasting a lot of energy (and money) on heat that is escaping your house that a quick repair could improve greatly.

**Only run the dishwasher when it's completely full** to conserve water. Avoid selecting the pre-rinse cycle as it doesn't actually help your dishes get any cleaner.

**Stop using aerosol cans.** Although they don't exactly “deplete the ozone” in the way they were rumored to in the past, they do still emit gasses that contribute to global warming.

**Go without.** If you don't absolutely need something, why buy it? That helps to cut down on production costs, shipping costs and packaging.

## A Word From Fr. Joe

Greetings, all!

As you can see from the picture below, your beautiful going away gift has been realized: I recently returned from a wonderful trip to the Grand Canyon with my friend, Fr. Gary Braun. Thank you – that time was WONDERFUL!

Fr. Gary and I spent a couple of days on the South Rim, and then joined a group to hike ten miles down into the Canyon (and then eight miles the next day) to Havasu Falls and other magnificent places. My, what a beautiful glimpse of the majesty of God! Of course, I am no stranger to experiences of the wonders of God: I was with all of YOU for 16 years! (The beauty of the Grand Canyon pales next to the wonders I experienced in my time with you.) Again, THANK YOU for a wonderful trip!

Soon I will find out what my next assignment will be. Till then, I am working on writing and videotaping a series of videos for adults tentatively called, “Two Minutes towards Meaningful Living”. Please whisper a prayer that God blesses that effort. And be assured of my love.

Gratefully, in Christ,  
Fr Joe

# WILL AND TRUST SEMINAR

## Thursday, May 14, 2015

### 7pm in the Fr Joe Kempf Parish Center

Speaker: Mr. Carl Markus,  
Attorney-at-Law with Paule, Camazine, and Blumenthal

Assumption Parish will be hosting a second Will and Trust Seminar. Last year we had an overwhelming response to this important opportunity! You won't want to miss out on this \$500 value for FREE!! Mark your calendar now and plan on joining us.

Important Questions to be Answered:

- Why is a Will important?
- What if I die without a Will?
- Can taxes be saved here?
- What is the Living Trust?

Without a Plan:

- Persons most dear to you may not benefit.
- Your property will be distributed according to State laws.
- The court will appoint guardians for your minor children.
- Nothing will be given to support the work of your Church and favorite charities.
- You may be paying more in taxes than necessary.

Having a plan allows you to exercise your own wishes in such matters as the disposition of your estate, distribution of your possessions, and care of minor children while maximizing the benefits to your beneficiaries. Please make plans to attend the Will and Trust Seminar and get all the facts.

Please clip the registration form below and drop it in the Collection Basket or return it to the parish office by Sunday, May 10, 2015.
