"John answered them all, 'I baptize you with water; but he who is mightier than I is coming...he will baptize you with the Holy Spirit...'"

(Luke 3:16)

The Catholic Catechism states that "Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will." In other words, as baptized Catholics there is only one gift that we need to give to Jesus – the gift of ourselves. Once we surrender ourselves to God, we will know in our hearts what God calls us to do.

Flood Relief Special Collection

As the mystery of Christmas has unfolded in our midst, our hearts are drawn to our brothers and sisters in need. Please consider a contribution to assist those impacted by recent flooding in our community.

Fr Mitch

Excerpt from Archbishop Carlson's letter to the faithful . . .

In response to the recent flooding, which has affected several states, and, particularly, many people in Missouri, in union with the USCCB, I am calling for a special collection to be taken up in all parishes in the archdiocese **next weekend, January 16/17**. These funds will be used to assist flood victims now in their greatest time of need.

Funds collected will be used to support the efforts of Catholic Charities as they respond to immediate emergency needs for necessities.

Please make you check out to Assumption Parish and in the memo line write Flood Relief.

Than you so much for your generous donation.

Blessing of Calendars

Lord, you live outside of time

and reside in the imperishable moment,

Yet, You have made us to live

within the moments and years of time.

Help us to be aware of the miracle enclosed

within each swift second of life and

within the long years of those we call old.

May our marking of time

help us not to miss that which is important

while you keep us from machine-like routine.

May we ever be free from being clock watchers

and instead become time lovers.

We ask you blessing this New Year's (Eve) Day

upon your Gift of Time

Bless our calendars,

these ordered lists of days, and weeks, and months,

of holidays and holydays, of fasts and feasts – all our special days of remembering.

May they remind us of birthdays and other gift-days

as they teach us the secret

that all life is meant for celebration and

contemplation.

Bless, Lord, this New Year,

each of its 365 days and nights.

Bless us –with full moons and new moons;

Bless us – with happy seasons and a full life.

Grant to us, lord, the New Year's gift of a year of love!

Children’s Liturgy of the Word

Children’s Liturgy of the Word (CLW) is an age-appropriate Liturgy of the Word offered for ages 3 – 1st grade at the 5:00pm Mass. No pre-registration is necessary. All children are welcome and encouraged to attend.

Just before the Liturgy of the Word begins for the assembly, the children are invited to come up to the front of church by the presiding priest. Father will then formally dismiss them to go with the weekly leaders from the church to Hall C. During this special time, our leaders will share with the children through prayers, songs and readings that are simplified for children.

The children learn about the same Scripture readings as the rest of the assembly. They are taught a simplified main message of the readings and are encouraged to share that message with their parents after Mass.

We have some wonderful volunteer leaders and would love for a few more to join our team so that the leader would be available to teach every 4-6 weeks; depending your “YES!” We will also have youth volunteers to assist our adult leaders.

This is a great opportunity for adults and middle school/high school youth to help these eager youngsters learn the Word of the Lord.

For more information contact the religious education office: 636.240.1020 or abvmpr@yahoo.com.

The Jubilee Year of Mercy

With our eyes fixed on Jesus and his merciful gaze, we experience the love of the Most Holy Trinity. The mission Jesus received from the Father was that of revealing the mystery of divine love in its fullness. “God is love” (1 Jn 4:8,16), John affirms for the first and only time in all of Holy Scripture. This love has now been made visible and tangible in Jesus’ entire life. His person is nothing but love, a love given gratuitously. The relationships he forms with the people who approach him manifest something entirely unique and unrepeatable. The signs he works, especially in favor of sinners, the poor, the marginalized, the sick, and the suffering, are all meant to teach mercy. Everything in him speaks of mercy. Nothing in him is devoid of compassion.” – Francis, Bishop of Rome, Servant of the Servants of God

Life, Peace, and Restorative Justice

“Overcome Indifference and Win Peace

God is not indifferent!

“God cares about mankind! God does not abandon us!” This is how Pope Francis began his New Year’s Day address. Throughout scriptures, we hear of God’s intervention again and again.

Cain’s refusal to acknowledge Abel as his brother became the first rupture in the family relations of fraternity, solidarity and mutual respect. God then intervened to remind man of his responsibility towards his fellows. God’s interventions remind us that God sees, hears, knows, comes down and delivers. God does not remain indifferent. He is attentive and he acts. In the same way, in Jesus his Son, God has come down among us. He took flesh and showed his solidarity with humanity in all things but sin. He was concerned not only for men and women, but also for the fish of the sea, the birds of the air, plants and trees, all things great and small. He saw and embraced all of creation. Jesus touched people’s lives, he spoke to them, helped them and showed kindness to those in need. Not only this, but He felt strong emotions and he wept (cf. Jn 11:33-44). And He worked to put an end to suffering, sorrow, misery and death. God is not indifferent!

Maintaining our reasons for hope...

“Sadly, war and terrorism, accompanied by kidnapping, ethnic or religious persecution and the misuse of power, marked the past year from start to finish. In many parts of the world, these have become so common as to constitute a real “third world war fought piecemeal”. Yet some events of the year now ending inspire me, in looking ahead to the New Year, to encourage everyone not to lose hope in our human ability to conquer evil and to combat resignation and indifference. They demonstrate our capacity to show solidarity and to rise above self-interest, apathy and indifference in the face of critical situations.”

“There are many good reasons to believe in mankind’s capacity to act together in solidarity and, on the basis of our interconnection and interdependence, to demonstrate concern for the more vulnerable of our brothers and sisters and for the protection of the common good. This attitude of mutual responsibility is rooted in our fundamental vocation to fraternity and a life in common. Personal dignity and interpersonal relationships are what constitute us as human beings whom God willed to create in his own image and likeness. As creatures endowed with inalienable dignity, we are related to all our brothers and sisters, for whom we are responsible and with whom we act in solidarity. Lacking this relationship, we would be less human. We see, then, how indifference represents a menace to the human family. As we approach a new year, I would ask everyone to take stock of this reality, in order to overcome indifference and to win peace.” - *Message of his Holiness Pope Francis for the celebration of the XLIX World Day of Peace January 1, 2016.*

“If anyone has the world’s goods and sees his brother or sister in need, yet refuses help, how does God’s love abide in him? (1 Jn 3:17; cf. Jas 2:15-16).

This then is why “it is absolutely essential for the Church and for the credibility of her message that she herself live and testify to mercy.
