

Love bears all things,
believes all things,
hopes all things,
endures all things.
Love never fails.

*May you find Christ here . . .
May you bring Christ to the world.*

Our Christ Renews His Parish retreat participants gave us great feedback about their experience. Here are just a few:

"Awesome. Awesome. Awesome! Want to thank you and the staff for this memorable experience. Did not want to wait until Tuesday to express my thanks. The amount of time, organization, and total giving of oneself to help others restored my belief in the true goodness of people!!"

"Thank you for all that you did this weekend for me and for the group, it was an amazing experience. I wouldn't allow myself to have any expectations because I didn't want to be let down, but it was over the top as far as how the Holy Spirit touched my life and the overwhelming peace I felt to be a part of that experience. I am going to try like hell now to keep the fire lite!! Look forward to being in CRHP team and to our continued friendship."

PRAYER • PARTICIPATION • GENEROSITY

S T E W A R D S H I P

"Love is patient, love is kind. It is not jealous, it is not pompous." (1 Corinthians 13:4)

Do you get jealous? Do you focus more on the things that other people have than on the gifts that God has given to you? Are you pompous? Do you acquire more possessions to impress others? At times we are all guilty of these things. Pray for more humility. Pray to become less self-centered and more God-centered.

We Are Christ

Paul's beautiful "Hymn to Love" follows his description of the Body of Christ. We are Christ; Christ is all, and in all. We know God is Love; Paul teaches us that love is patient, kind...love never fails. Trusting God's life in us, trusting the presence of Christ in us, we can find our way to Christ's peace. God, in us, never fails. Let us strive only to be the people God has created us to be.

The Jubilee Year of Mercy

"Mercy is the very foundation of the Church's life. All of her pastoral activity should be caught up in the tenderness she makes present; nothing in her preaching and in her witness to the world can be lacking in mercy. The Church's very credibility is seen in how she shows merciful and compassionate love. The Church "has an endless desire to show mercy". Perhaps we have long since forgotten how to show and live the way of mercy. It is sad to say, but we must admit that the practice of mercy is waning in the wider culture. In some cases the word seems to have dropped out of use. However, without a witness to mercy, life becomes fruitless and sterile, as if sequestered in a barren desert. The time has come for the Church to take up the joyful call to mercy once more. It is time to return to the basics and to bear the weaknesses and struggles of our brothers and sisters." Mercy enters into the chaos of another person's life. "Mercy is the force that reawakens us to new life and instills in us the courage to look to the future with hope." – *Francis, Bishop of Rome, Servant of the Servants of God*

Mercy

Prayer: God of Mercy, thank you for entering into the chaos of my life. Show me ways, and give me the courage, to reach out into the chaos of the lives of others.

Got PRAYERS?

Assumption's Prayer Teams will be available after all Masses **next weekend**, **February 6/7**, to pray with and for you!

Here are some amazing facts about the prayer teams:

- Prayer teams are parishioners who bring Christ to the world through prayer.
- We'll pray for you, your loved ones, your friends...anyone whom you'd like to lift in prayer.
- We pray for intentions big AND small! If it's on your heart, bring it to Christ!
- Teams will do ALL the praying if you'd prefer! Just bring yourself and your intentions.
- Want to give thanks and praise to God? We love to do that!

Get to Know FRB!

Foods Resource Bank and Assumption Parish invite you to 'Get to Know FRB'. Date: Saturday, February 6 from 9:30am-1:00pm, Assumption Parish, Hall C.

Join special guest Richard Aparco from the Peru Castrovirreyna program who will present on how his work is helping farmers in the highlands of Peru become food secure.

Potato farmers in the Peru-Castrovirreyna Program

This past year, FRB celebrated a monumental achievement of helping over 1 million people to become self-sustaining. It is now our goal to help the next 1 million become self-sufficient in half the time it took to reach the first million. Come and see how you can help grow lasting solutions to hunger!

Lunch will be provided. RSVP to Nancy Sullivan, 636.240.3393.

Next weekend our Candidates and Catechumens, together with their sponsors and a team member, will complete

an individual discernment. This discernment is an "internal inventory", where the Candidate or Catechumen reflects on where they started, where they see God calling them, and where they want to be. At this point in their journey, we would expect them to have undergone a conversion in mind and action, to have developed a sufficient acquaintance with Christian teaching, as well as a spirit of faith and charity.

As it says in the Rite of Christian Initiation of Adults, "with deliberate will and an enlightened faith they must have the intention to receive the sacraments of the Church, a resolve they will express publicly in the actual celebration of the rite."

A poster of our Candidates, Catechumens and Sponsors will be in the Narthex now and throughout Lent. If you happen to see one of them at Mass, please give them a word of encouragement and let them know that you're praying for them. We will have individual prayer cards available so that everyone might have the opportunity to be a prayer partner to one or several of our Candidates and Catechumens throughout Lent.

This is an exciting time for us as a community in Christ to pray for our newest disciples that the fire of the Holy Spirit will inspire them and guide them in their final steps to the Sacraments of Initiation at the Easter Vigil.

With deliberate will and an enlightened faith they must have the intention to receive the sacraments of the Church, a resolve they will express publicly in the actual celebration of the rite.

Social Justice in Action

Join us on Tuesday, February 16, 7:00pm for Mend the Gap! Town Hall on Bridging the Divides in Wealth Inequality, Health Care and Racial Disparity, hosted by Sts. Joachim and Ann Care Service. Sister Simone is well-known as an electrifying speaker, who addresses the health needs of the underserved with passion. She is highly recognized for her work in organizing the "Nuns on the Bus" tour of nine states to raise the visibility of the needs of the poor and disabled. Additional guests from Jobs with Justice, Missouri Health Care for All and Metropolitan Congregations United will also speak. Please RSVP by email to info@networklobby.org.

Life, Peace, and Restorative Justice

Life, Peace, and Restorative Justice

Last week our article focused on human trafficking. This week we have

a true story; a brief summary of what happens to someone who is trafficked. It is the story of one woman's life through homelessness, crack addiction, and prison... to blindness, motherhood and happiness.

How did it start? I suppose you could say through a dysfunctional home life; but can you imagine your mother selling you into prostitution at age 8? From running away from home innumerable times and being picked up for a "ride", she began the downward spiral into alcohol, drugs, stripping, prostitution, and addiction to crack cocaine. After two decades of this horrible life, she found help through the random outreach of a man at a halfway house after a release from prison. He showed her kindness and a different way of living.

After many struggles and failures, they finally made it. Now she is a mother and a new person. She has a job here in St. Louis working Monday through Thursday. On Friday she takes food to her former prostitute friends and tries to help them realize there's a different and better way of life.

February 8th is International Day of Prayer and Awareness Against Human Trafficking
Please join us in praying for an
End to Human Trafficking

God of freedom and love, we are saddened to know that more than one million people are trafficked into slavery each year. The effects of contemporary slavery are felt in every country around our world. As sisters and brothers, we are tormented by this reality that will leave devastating repercussions for generations to come. Our hearts grieve for what our minds can barely comprehend, particularly when we hear of women, men, and children who are deceived and transported to unknown places. We recognize this sexual and economic exploitation occurs because of human greed and profit. We are sorrowful and our spirits angry that human dignity is being degraded through deception and threats of force. Help the violators to be transformed and enlightened to realize the scope of their unjust actions. Allow them to see the value and the dignity of every human person. Lord of Life, strengthen all those whose hearts have been broken and whose lives have been uprooted. As a people in solidarity with Your suffering children, grace us with strength and courage to denounce this crime against humanity and to work against the demeaning practice of human trafficking. Amen.

Action:

U.S. Catholic Sisters Against Human Trafficking is a collaborative, faith-based national network that offers education, supports access to survivor services, and engages in advocacy in an effort to eradicate modern-day slavery. See their

website for more information on members, their work, and their vision.

Volunteers Need for Belize Mission

Since 2005, the All Saints Belize Mission experience has enriched the lives of over 150 volunteers from the St. Louis area. We are inspired by families who are happy living without many things that we take for granted. Construction volunteers are needed to help with community improvement projects. No particular skill is needed, just a willingness to work on whatever needs to be accomplished. We will also visit elementary schools to provide hands-on activities in a variety of subjects with an emphasis on expressive arts. We have been asked to visit during the week of June 13 -17. If you enjoy working with children but don't consider yourself a "teacher", this is the perfect mission trip for you! Before returning home, our mission team will spend a weekend relaxing and reminiscing on the beach in Placencia, Belize.

If you are interested in joining us, contact Ann Lacker at annlacker@gmail.com or 636.734.7005.
