Assumption's Growing Project

"It feels so good to know that God is continuing to multiply our small efforts. Some of the projects that we started back in 2005, 2006, 2007 are completed and these people are no longer hungry. They are independently growing their own food and now teaching other communities to do the same. It just keeps growing!" said a contributor to our Growing Project.

Assumption's Growing Project helps us to look upon the flesh of Jesus embodied in our brothers and sisters in starving parts of Africa, as well as the unjust social structures that lend to perpetual cycles of poverty. Please give something to this effort on the weekend of August 1st/2nd and throughout the month.

For those of you who do not know much about this ministry, here is a brief summary:

As we were preparing for the dedication of our church in February of 2005, we knew that even as we were building a home for all who would come here to worship, it was important that we find a way to reach out generously to the poor on a global level. Thus, Catholic Relief Services and Foods Resource Bank helped us to join with farmers in Bucyrus, Kansas to address the issue of world hunger. It was important to us that our efforts support the poorest of the poor at the most basic levels of sustenance, that our efforts teach self-sufficiency and lasting solutions to hunger, that these efforts support as many people as possible, and that there be both an educational component and an obligation for them to share this knowledge and bounty with others who suffer.

The Growing Project works like this... Catholic Relief Services and Foods Resource Bank identify some of the poorest communities in the world and work with them to decide what would be needed for them to grow their own food. Assumption parishioners donate financially to the project. This money is then sent to our farming partners. The farmers use this money to purchase seed, fuel, fertilizer, etc. The farmers also donate their land, time and hard work. They in turn sell their crops and send the money to CRS/FRB for implementation of a project that we help to choose. We maintain this urban and rural community partnership because after crops are sold, our money has typically quadrupled! And 100% of all the proceeds you donate go directly to the project.

It is important that we give a hand up, not a hand out. *"Give a man a fish and he will eat for a day. Teach a man to fish and he will eat for life."* It is important that the poor learn to grow the crops that will flourish on their land, that it meet the nutritional needs of their communities, and that they can feel a sense of dignity in providing for their families.

ALL are invited to Come and Hear More

August 1 immediately after the 5pm Mass in Halls B and C

We will have a potluck dinner (so bring your favorite dish to share) and then have an opportunity to visit with our Overseas Guests, Dr. Rafat Hassouna and Mrs. Rifqa Hamalawi, humanitarians with the Growing Project in Gaza. They will also present a bit more about our partnership work and you will have an opportunity to ask questions. To learn more, go to foodsresourcebank.org.

It truly is wonderful to be in mission with each of you! Thank you!!
May you find Christ here... may you bring Christ to the world.

*May you find Christ here . . .
May you bring Christ to the world.*

"After looking at the Life, Peace, and Justice Action Alerts on your website, I 'Took Action' on the Catholics Confront Global Poverty site. I received this letter about the results!"

Following the release of Pope Francis' encyclical on ecology, "Laudato Si [Praised Be]: On the Care of Our Common Home", you jumped into action. Thanks to you and many other Catholics across the country, thousands of messages were delivered to members of Congress urging them to address the effects of our changing climate on poor and vulnerable people by supporting the Green Climate Fund. The Green Climate Fund is an international effort to help developing nations adapt to climate changes and mitigate their effects. Because of your efforts, the Green Climate Fund overcame a significant hurdle during last week's deliberations in the Senate Appropriations committee. While we're not out of the woods yet, last week's victory was a huge step in the right direction. Over the next few weeks, we'll continue to monitor Congress' actions on the Green Climate Fund and will need your continued support to ensure that Congress addresses the effects of our changing climate on poor and vulnerable people by supporting the Green Climate Fund in FY16 appropriations.

Yours in Christ,
Your Catholics Confront Global Poverty team
United States Conference of Catholic Bishops and Catholic Relief

"There is a boy here who has five barley loaves and two fish; but what good are these for so any?"
(John 6:9)

The miracle of the Loaves and Fishes is the only miracle which is recorded six times in the Gospel. It carries two important messages. First, no matter how little we have, we always have enough to share. Second, Christ can take our humble gifts and do great things with them if we are just willing to let Him.

Nourishment for the Soul

Last week in Mark's Gospel Jesus got out of a boat and looked upon the crowd who had rallied and run to find him. He recognized us as "Sheep without a Shepherd." This week, in John's Gospel, Jesus gets out of a boat and sees a large crowd who are hungry; he asks, "Where can we buy enough food for them to eat?" In both stories, Jesus knows that He himself will provide, will indeed be, the nourishment we seek. How does Jesus calm our fears; how does Jesus nourish our souls?

Tuesday morning, as the sun was rising in the sky, I went for my walk to Ellie's Garden. I have seen so much there in just a few days, including a new multiplication of the loaves and fishes to feed all the volunteers who were able to gather on July 11 to literally raise the garden from the mud of the earth. And I have seen laughter, stories being shared, community forming before my very eyes. Tuesday morning, though, I happened to be visiting in the same moment of eternity as Sr. Mary Vénard LeBeau, CPPS. Sr. Mary Vénard is visiting here on break from her mission in Finland; she has worked in Estonia since 1949. Her roots are in Kansas, but she experienced her call at St. Elizabeth Academy, the same great school in St. Louis where my grandmother attended not long before Sr. Mary Vénard. So we first chatted about Ellie's Garden, its beauty and the hope it inspires; then a little bit about the environment and the importance of the earth, then about her ministry in Estonia. And she will soon return to Europe to continue her mission.

I had gone for solitude near the garden and I was visited by an angel. Ellie's Garden is a place for children to learn and grow; a source of fresh produce for the poor; and a place for community to find itself as we encounter each other and our stories along the way. Just like the thousands who gathered in today's Gospel, our deepest hunger is for Christ. And just as then, just as in the Eucharist, Jesus will nourish our souls with food from heaven, shared side by side, heart to heart, in Ellie's Garden.

Our fall planting will take place in the next couple of weeks. Regular updates will be in the bulletin and online. Please plan on being a part of this ministry with Ellie.

Are You Someone or

Do You Know Someone Who . . .

- Has expressed an interest in becoming Catholic?
- Was baptized Catholic as a child, but has not celebrated the Sacraments of Confirmation and Eucharist?

We offer an opportunity to come together in a small group to learn more about our faith. Our Rite of Christian Initiation for Adults (RCIA) process sessions focus on the teachings and experience of Church and prepare individuals to celebrate the Sacraments of Baptism, Confirmation, and Eucharist during the Easter season. Adults from all faith traditions or no religious background at all, are welcome to participate in our instruction beginning in September. For information please contact Missy Lowery at 314.630.3983.

Baptismal Preparation Class

All parents are required to participate in a class of Pre-Baptismal instruction before having their child/children baptized at Assumption. For expectant parents it is often better to attend this class before baby is born. Call the Parish Office at 240.3721 to schedule a class.

Life, Peace, Justice

Hunger Stats:

- One in nine people struggle with hunger.
- 805 million of the world's 7 billion people are chronically hungry.
- 70% of those hungry live in rural areas and depend on agriculture for their livelihoods.

Pope Francis said, "To love God and neighbor is not something abstract, but profoundly concrete: it means seeing in every person and face of the Lord to be served, to serve him concretely. And you are, dear brothers and sisters, in the face of Jesus." (Address during Visit at the Homeless Shelter "Dona Di Maria," 5/21/13)

"When we are generous in welcoming people and sharing something with them—some food, a place in our homes, our time—not only do we no longer remain poor: we are enriched. I am well aware that when someone needing food knocks at your door, you always find a way of sharing food; as the proverb says, one can always 'add more water to the beans! Is it possible to add more water to the beans?...Always?...And you do so with love, demonstrating that true riches consist not in material things, but in the heart!" (Pope Francis, Address during Visit to the Community at Varginha, 7/25/13)

What do your brothers and sisters in poverty have to teach you?

Who are you called to welcome into your life? Into your parish? Into your community?

Action

Pray for a deeper understanding of the struggles others endure.

An Opportunity to Serve Your Parish

It is time to nominate new members for our Parish Council. Every three years we invite Assumption Parishioners to think about who they feel would represent the parish in this role. We are looking for individuals who are registered in the parish, attend Mass regularly, and are involved in the life of the parish. We are asking for the names of parishioners that you think are: 1. Wise People, 2. Insightful Thinkers, 3. Open To Listening To The Holy Spirit, and 4. Possess Christian Joy. *(For other qualifications, see below.)* The deadline for submitting names will be August 15. We will invite those who are nominated to a meeting on September 21 at 7:00 p.m. to learn more about the role of a parish council member, and to discern if they feel drawn to serve. If we end up with more individuals than are needed, we will draw lots at Mass, six men and six women.

Our Parish Council mission statement is as follows:

"We listen to the Holy Spirit as we discern how people might best 'Find Christ here... and bring Christ to the world.'" The Parish Council prayerfully discerns parish direction and priorities."

If you would like to recommend yourself or someone else from the parish for this role, please fill out the form below and put it in the collection basket or drop it by the parish office before August 15. Thank you for taking a moment to reflect on this important process for our Parish.

Anointing of the Sick

We will celebrate the Sacrament of the Anointing of the Sick at all the Masses on the weekend of August 8/9.

"Is any among you suffering? He should pray. Is anyone in good spirits? He should sing praise. Is any among you sick? He should summon the presbyters of the church, and they should pray over him and anoint him with oil in the name of the Lord and the prayer of faith will save the sick person, and the Lord will raise him up. If he has committed any sins, he will be forgiven." James 5:13-15

Through the sacrament of Anointing of the Sick, Christ strengthens those who are afflicted by illness, whether in body, soul or spirit, providing them with the strongest means of support. Jesus showed great concern for the bodily and spiritual welfare of the sick and commanded his followers to do the same. God did not promise that we would be cured of our illnesses, but God always provides a healing and forgiveness of sins. The celebration of this sacrament also provides an opportunity for the deepening of faith in the community – through the faith witnessed and devotion of those being anointed.

Symbols of this sacrament include the laying on of hands and the anointing with oil to the forehead and palms of both hands. The laying on of hands symbolizes the Spirit of God being called down – the very presence of the Lord putting his hands on our head. The oil is a sign that God 'has put his seal upon us and given the Spirit in our hearts'. Through the anointing, we are strengthened for what lies ahead.

Newspaper Recycling

Our campus wide single stream recycling has been operating several months and is going well. Most questions coming in to the parish office are about newspaper recycling. What happened to the green and yellow newspaper bins? Is it ok to put newspaper in the new green recycling bin?

For many years Assumption received a modest payment per ton for old newspapers, but due to a drop in the price of recycled paper products, those payments stopped. There is no longer any benefit for the parish to have separate receptacles just for paper. As we introduced single stream recycling we also decided to simplify the process and have only one recycling dumpster. Yes, you can put newspapers in our green recycling dumpster. Since we are no longer receiving payment for newspapers, feel free to put them in any recycling container that is closer to your house. Thank you for your interest in recycling.
