Come O Come Emmanuel

Our longing for a savior is so real in our hearts, it runs so deep in our souls, we can feel it in our bones, it is all we can think about. And when the Lord asks us, "How are you doing?," we say, "fine." Why, when our hearts are so ready for love, when our wills are so ready to surrender, when our bodies are so ready to embrace, when our minds are so ready for wisdom, why do we hesitate? Why do we flee? Why can we not speak the truth of our souls?

Today, the Lord tells King Ahaz, "Ask for a sign from the Lord, your God; let it be deep as the netherworld, or high as the sky!" Ahaz replies, "I will not ask! I will not tempt the Lord!" Then, through the prophet Isaiah, the Lord promises a sign even though Ahaz refused to ask, "the virgin shall conceive, and bear a son, and shall name him Emmanuel (God with us)." Ahaz hesitates because he knows full well that the deepest desires of his heart do not match the way he has been living. Out of fear he collaborated with the Assyrians and witnessed the collapse of the Northern Kingdom; he then visited the Assyrian King and venerated other gods. In the depths of his soul Ahaz longs for redemption, but he is afraid even to whisper the deepest desire of his heart. What if God fails to forgive? What if God fails to keep His promise? Is it not better never to ask than to suffer disappointment? Might it be also that pride gets in the way? Even though he knows deep in his heart that he has gone astray, might he be able to fight his own way back to freedom?

This whole line of questioning wearies the Lord. God cries out to Ahaz, and to us, "let me love you, let me save you...your salvation is the deepest desire of my own heart...even though you are afraid I will visit you with Peace."

In this last week of Advent, let us summon the courage to whisper the deepest longing of our hearts, the deepest desires of our souls; let us prepare our hearts to welcome a savior, Christ the Lord. With Mary, let us embrace Emmanuel. *Fr Mitch*

Christmas Eve Masses

Our Christmas Eve Masses are always beautiful celebrations of the birth of our Savior; the Word made flesh. This year, as in years past, we will offer Mass on Christmas Eve at 4:00pm, 6:00pm, and 10:00pm in church, and Mass at 4:30pm in our Chapel. If you have never attended our 6:00pm or 10:00pm Masses, we encourage you to take this opportunity to experience them this year!

Our 6:00pm Mass will be for children, led by children – including our incredibly talented children's choir led by Dr. Maureen Carlson.

Our 10:00pm Mass emulates the experience of Mass at Midnight, without keeping you up all night. This Mass will be preceded by a Christmas cantata performed by our exceptional adult choir and their accompanying pit orchestra. Mass will flow immediately afterward, with music led by the adult choir and orchestra.

We pray that you and your family will open your door to the peace of the Christ child this season and that you have a very blessed and joyous Christmas!

Welcome Visitors!

Guests at Assumption of the Blessed Virgin Mary Parish are important to us! Therefore, we have placed a beautiful podium in our Narthex, just before entering the glass doors on the north side. Visitors are invited to fill out a card, letting us know if you have questions or comments, or to leave information about how we can best serve you.

St Francis and the Christmas Creche

The story of the origin of the Christmas creche rests with the very holy man, St. Francis of Assisi.

In the year 1223, St. Francis, a deacon, was visiting the town of Greccio to celebrate Christmas. Greccio was a small town built on a mountainside overlooking a beautiful valley. The people had cultivated the fertile area with vineyards. St. Francis realized that the chapel of the Franciscan hermitage would be too small to hold the congregation for Midnight Mass. So he found a niche in the rock near the town square and set up the altar. However, this Midnight Mass would be very special, unlike any other Midnight Mass.

St. Bonaventure (d. 1274) in his *Life of St. Francis of Assisi* tells the story the best:

It happened in the third year before his death, that in order to excite the inhabitants of Greccio to commemorate the nativity of the Infant Jesus with great devotion, [St. Francis] determined to keep it with all possible solemnity; and lest he should be accused of lightness or novelty, he asked and obtained the permission of the sovereign Pontiff. Then he prepared a manger, and brought hay, and an ox and an ass to the place appointed. The brethren were summoned, the people ran together, the forest resounded with their voices, and that venerable night was made glorious by many and brilliant lights and sonorous psalms of praise. The man of God [St. Francis] stood before the manger, full of devotion and piety, bathed in tears and radiant with joy; the Holy Gospel was chanted by Francis, the Levite of Christ. Then he preached to the people around the nativity of the poor King; and being unable to utter His name for the tenderness of His love, He called Him the Babe of Bethlehem. A certain valiant and veracious soldier, Master John of Greccio, who, for the love of Christ, had left the warfare of this world, and become a dear friend of this holy man, affirmed that he beheld an Infant marvellously beautiful, sleeping in the manger, Whom the blessed Father Francis embraced with

both his arms, as if he would awake Him from sleep. This vision of the devout soldier is credible, not only by reason of the sanctity of him that saw it, but by reason of the miracles which afterwards confirmed its truth. For example of Francis, if it be considered by the world, is doubtless sufficient to excite all hearts which are negligent in the faith of Christ; and the hay of that manger, being preserved by the people, miraculously cured all diseases of cattle, and many other pestilences; God thus in all things glorifying his servant, and witnessing to the great efficacy of his holy prayers by manifest prodigies and miracles.

Although the story is long old, the message is clear for us. Our own Nativity scenes which rest under our Christmas trees are a visible reminder of that night when our Savior was born. May we never forget to see in our hearts the little Babe of Bethlehem, who came to save us from sin. We must never forget that the wood of the manger that held Him so securely would one day give way to the wood of the cross. May we too embrace Him with all of our love as did St. Francis. To all of the readers of *Straight Answers*, I wish you a very holy Christmas.

A Year of Mercy With Pope Francis We Need To Be Saved!

Dear Friends, the Gospel does not only concern religion. It concerns man, the whole of man; it concerns the world, society, and human civilization. The Gospel is God's message of salvation for mankind.

Mercy

When we say "message of salvation: this is not simply a way of speaking, these are not mere words or empty words like so many today. Mankind truly needs to be saved! We see it every day when we flip through newspapers or watch the news on television; but we also see it around us, in people, in situations; and we see it in ourselves! Each one of us needs to be saved! We cannot do it alone! We need to be Saved!

- Address, Meeting with Young People, October 4, 2013

Reflection: Do you believe that you need to be saved? Are you striving to get yourself and everyone you know to heaven? What does it look like to make the message of salvation more of a priority in your life?

Did you mark on your Stewardship Commitment Card: **"Spend more time with God in prayer"? Or "Schedule a time for a Spiritual Retreat"?**

My name is Jessica Reynolds and I have been attending Assumption for about two years. When I received my invitation for the CRHP women's retreat, I laid it aside and thought "now is not the time". I felt intimidated by being around women I did not know and leaving my daughter for a whole weekend. However, God had another plan for me. I was at a time in my life where I felt defeated and exhausted. I decided to listen to that "tug" I felt and attend the women's retreat in January 2016. This experience took my relationship with Jesus Christ to a completely different level and allowed me to develop a sense of sisterhood that I may not have otherwise. It is truly amazing where your heart, mind, and spirit can go during this time away in God's house! Perhaps you are feeling this "tug" as well or would just like to develop relationships with other women in our parish. Whatever it is, please consider joining us in January 2017. All you have to do is sign up and God will take care of the rest!

The Four Pillars of Parish Stewardship

The four pillars of ***hospitality, prayer, formation and service*** invite parishioners to experience, witness and live the stewardship way of life in response to their baptismal call to discipleship. Individually, each baptized person is called to give of time, talent and treasure to strengthen these four pillars that support the parish community. Conversely, by making our parish a place of ***hospitality, prayer, formation and service***, we provide greater opportunities for the sharing of time, talent and treasure. As our parish embraces stewardship as a way of life, we begin to recognize our responsibility not only to our own parish, but also to the diocese, the community and the Universal Church. Strengthening the pillars of hospitality, prayer, formation and service make us faithful disciples to the love given us freely by our loving God. As faithful stewards, our only response to these gifts received is gratitude. Living stewardship is a disciple's response to our God, who has given us everything that is good!

So let's take a look into ***HOSPITALITY***... "When I was a stranger, you welcomed me." (Mt. 25:35). Jesus Christ teaches that whenever we welcome one of the least of our sisters and brothers, we welcome Christ Himself. Parishioners of a stewardship parish seek to see the face of Christ in one another. With special vigilance, parishioners must seek out and welcome new members to the parish family. A stewardship parish is a welcoming parish regardless of the parish demographics: large or small - urban, suburban or rural. We are all prodigal children longing to be welcomed home. In a hospitable parish, parishioners and guests feel they belong and are appreciated. This is especially true if they were ever absent from the church. ***Hospitality*** leads to a sense of ***ownership*** among parishioners. This ownership and personal involvement fosters a sense of "belonging." When parishioners experience a warm and sincere welcome, they in turn become open to give themselves to others. God is love. God gives His love to each one of us. As God loves us, He calls us to love one another. This Divine Love flows through the heart of the faithful steward to love others. When we are recipients of such love from others, we are attracted to follow this example. When others welcome us, we are open to welcoming others. This desire to welcome others is yet another gift of God. The most vibrant stewardship parishes are those in which parishioners know they are welcomed, which fosters a sense of ownership and personal involvement in lived stewardship to a parish family.
