Meet our New Lay Pastoral Associate, Mickie McCool ...

I am so excited, and honored, to serve as part of Assumption's Lay Pastoral Team! My husband, Dave, and I live in O'Fallon with our daughter, Ellie (17 y/o) and our son, Bryce (13 y/o). Assumption has been our parish home for the past 8 years. I still remember Fr Joe welcoming our family to the parish by saying, "May you find Christ here; may you bring Christ to the world."

We have certainly found Christ at Assumption and I love being a part of this vibrant parish family!

My primary focus as Lay Pastoral Associate will be on growing and ministering to Small Church Communities, and participating in social justice activities. A Small Church Community is a small group of people that meet regularly to share faith and fellowship. The miracle of SCCs is in the bonds formed through the merger of faith and friendship. I have formed lifelong friendships in my faith journey at Assumption, many of them forged through my participation in SCCs. This is the source of my passion for SCCs and my vision for this ministry to flourish at Assumption.

If you are currently in a faith-sharing group, I can be reached by telephone at the Parish Office at 636.240.3721, x229 or by email at MyMcCool@gmail.com. I want to make sure that you are on our distribution list for all future SCC communications. And if you are interested in joining or forming a Small Church Community, please give me a call and I will joyfully facilitate!

I am looking forward to deepening my own faith in service to the parish, and in helping you "go deeper" as well.
God bless you!

*May you find Christ here...
may you bring Christ to the world.*

Our newest parishioners had this to say about finding Christ here:

- "I can really feel the Spirit alive each Sunday."
- "I particularly like the music, the openness of the church and the commonality of the congregation."
- "Please don't change. I love how modern this parish is and there's lots to get involved in."
- "I enjoy the celebration of the Mass and the other Liturgies here."
- "So far, I just like the people here!"
- "My girls want to go to school here. There's a great family environment here."

Prayer Team Ministry

This weekend and each month on the first weekend of the month, you are invited to need of prayers for yourself or a loved one, we will have prayer teams available in church after the closing song.

Eucharistic Adoration

Spring already seems to be giving way to summer! These pleasant days and evenings might be great incentive to come out on a Tuesday to spend some quiet time in Adoration of the Blessed Sacrament!

The chapel is open every Tuesday following 8am Mass until 6:30pm. Out of reverence for the Eucharist, we always have at least one person present. While we are in need of volunteers willing to commit to at least one hour each Tuesday, ALL ARE WELCOME to this special time of quiet prayer and reflection. If you are looking for a safe, quiet place for your own personal prayer or would like an ideal environment to pray for the needs of the world, consider giving yourself the gift of a few moments in the transformative presence of Eucharistic Adoration. Please call Rita at 636.240.5785 if you would like more info.

Baptismal Preparation Class

All parents are required to participate in a class of Pre-Baptismal instruction before having their child/children baptized at Assumption. For expectant parents it is often better to attend this class before baby is born.

Call the Parish Office at 240.3721 to schedule a class.

"Children, let us love not in word or speech but in deed and truth."

- 1 John 3:18

Do you "walk the talk?" Does your action reflect what you say? If not, spend time every day in prayer, give some of your talent to help one of your parish's ministries and give some of your money to support the work of the Church.

May you find Christ here...

Through Global Awareness

All Are Invited

Sr. Christine (John Amaa) is a Sister of the Sacred Heart of Jesus originally from Uganda currently working Nairobi, Kenya organizing a hostel for young women pursuing higher education. She was invited by the Archdiocese of St. Louis to talk on behalf of the sisters working in South Sudan which is currently dealing with post war trauma and rehabilitation of the people.

Assumption Parish is honored to host Sr. Christine on the evening on Wednesday, May 6, 7:00pm in Hall C – and ALL are invited to hear her speak. It is a rare opportunity to hear firsthand about how someone walks the journey of suffering and outreach. Our common humanity calls us to want to know more about our brothers and sisters whom we will never meet. May our hearts be transformed by Sr. Christine's lived experiences.

"I am happy to share with the students and parishioners of Assumption Parish the life experience we have which is contrary to what they have here, this will assist them to pray for the children in South Sudan. May God bless you for your hospitality and prayers."

Sr. Christine John Amaa

Our community garden on Hwy 79, one mile north of Hwy M or Main Street, was a success. Last year, our first year, there were six individuals and families from Assumption Parish that planted

gardens. They grew sweet corn, potatoes, okra, tomatoes, green beans, watermelon, cantaloupe, zucchini and cucumbers. Some of the food was shared with those in need. The garden is first for self, second for family and third for community. The garden has plenty of room for you to plant and grow. Come and grow. For more information contact Jerry 636.544.1505.

Annual Catholic Appeal

Where there is doubt... Faith.

In today's reading from the Acts of the Apostles, we are told, "The church throughout all Judea, Galilee, and Samaria was at peace...It was being built up" with help from the Holy Spirit (Acts 9:31).

How do we invite others to follow Jesus? How do we build up a Church of peace today? The first line of the second reading gives us a guide: "Children, let us love not in word or speech but in deed and truth" (1 John 3:18). We reveal the face of Christ, and draw others to Him, by the way we live our lives.

Jesus teaches that He is "the true vine" and we are the branches (John 15:5). If we remain in him, we will "bear much fruit" (John 15:5). Jesus, the true vine, asks us to be an extension of His very life.

The Annual Catholic Appeal is one way that we can bear fruit in the world and witness our faith in Jesus. Together, we offer hope and joy to the least of our brothers and sisters – building up a community of Christ's peace.

This is the final weekend for the Annual Catholic Appeal at Assumption. Please stop by the tables in the narthex and complete your pledge card today. We ask that you sign your card even if you are not able to contribute this year. Doing so will eliminate the need for follow-up by the Archdiocese.

For questions, contact Steve or Marcia Schmitz at schmitz80@gmail.com or 314.422.0416.

Earthquake Devastation in Nepal

Catholic Relief Services (CRS) and Caritas are on the ground responding to the earthquake in Nepal that has left nearly 5,000 dead and thousands more injured. CRS's initial goal is to help 10,000 families with emergency shelter, blankets, water treatment kits, and hygiene kits. Given the scale of the disaster, the number receiving help is expected to rise as our staff and partners are able to better assess the situation, coordinate our response with other agencies and procure additional supplies. CRS has made an initial commitment of \$825,000 to relief efforts in Nepal, a figure that is expected to rise as the needs become clearer.

If you would like to donate, please go to www.crs.org or send your donation to 228 W Lexington St, Baltimore, MD 21201-3443.

The Cry of the Earth

6 Items That You Probably Didn't Know Are Actually Recyclable

Most people know the basics of recycling, but some items seem to slip through the cracks. Here are 6 items that you probably didn't know are actually recyclable...

Eyeglasses. You know that drawer of junk in your house that has 3 or 4 pairs of unused eyeglasses just sitting around? There are many people in developing countries that need eyeglasses in order to avoid unemployment. Incredibly, 4 million pairs go into the landfill each year in North America alone. Drop off your unneeded glasses at your local Lions Club or lens dealer.

Athletic shoes. Did you know Nike has a Reuse-A-Shoe program that recycles old athletic shoes into Nike Grind, a material for tracks, gym floors, and the like? Currently, only Nike stores offer these bins, so hold onto those old dogs until you're near a Nike location.

Used motor oil. According to the EPA, “If all the oil from American do-it-yourself oil changers were recycled, it would be enough motor oil for more than 50 million cars a year.” You can actually recycle the spent oil from your lawnmower, car, truck, or boat, and recycle it so it can be re-refined into new usable oil. While it takes 42 gallons of crude oil to create 2.5 gallons of lubricating oil, all it takes is 1 gallon of spent motor oil to do the same job. Don't let your used oil contaminate the groundwater, recycle it today!

Brita water filters. You may have heard of the company Preserve. They make a line of 100% recycled items, including toothbrushes. Well, they've teamed up with Brita to recycle spent water filters. The filters are used in the creation of Preserve razors, toothbrushes, cups, and even cutting boards. Your local Whole Foods has collection bins, or check Preserve for more locations.

Crayons. Crayon stubs — who would have thought that they could be recycled? While in the grand scheme of things, crayon waste isn't a huge issue, there is no need to make waste when it can be reused. You can send those broken, stubby crayons, at your expense, to Crazy Crayons. It's a small price to save that bit of petroleum based wax from ending up in the landfill.

Pantyhose. If you wear pantyhose, you know how disposable they seem to be. But instead of tossing them after they've served their purpose, why not recycle them? Believe it or not, the average pantyhose take 30-40 years to decompose, so they can add up in our landfills quick. But, if you cover shipping charges (consider saving used pantyhose and packing tight a flat rate shipping box) No Nonsense will recycle them so they can be used for running tracks, playground equipment, and even park benches. Who knew old pantyhose were so multi-functional?

Celebrate the Earth! Recycle everything you can and lighten your footprint on the planet.

ALL Are Invited... to invite a friend to Mass

This weekend and every first weekend of the Month, you are invited to invite someone you know who may not be church-going on a regular basis to: Come to Mass.

Pope Francis said, "Those who have opened their hearts to God's love, heard his voice and received his light, cannot keep this gift to themselves. Since faith is hearing and seeing, it is also handed on as word and light."

Let's be inexplicably kind, patient, compassionate, and thankful. Let's let our unconditional, unwarranted goodness and joy take others by surprise and stir them to wonder why we're like that. Then, let's be ready to extend the gentle invitation: "Come with me and find out."

Prayer – Jesus, may others know You through me.
