

## **Bulletin Boards** within the Parish

---

### **POLICY:**

Parish Bulletin Boards can be used by Parishioners for specific advertisements.

### **REASON FOR POLICY:**

It is important that the parish bulletin boards are available for parishioners to advertise specific events and programs to the parish-at-large. Because there is a limited amount of space available, parish and diocese events will have priority and the amount of time an event is advertised will be limited.

### **DESCRIPTION:**

Posting items on the Parish Center bulletin boards should be reserved for such things as Diocese and Parish events and notices; other area parishes' events; Social Justice and Respect Life education, issues and events; Stewardship information; and mission/ missionary opportunities.
