Dear Family of the Assumption of the Blessed Virgin Mary Parish,

This Ministry and Membership Directory is tangible testimony to the life of love you live, to the hope you hold, and God's faithfulness to us. Thank you for being a part of this beautiful mission. All of the circumstances of our lives are conspiring to cooperate with God's grace; together we are called to "find Christ here, to bring Christ to the world."

Stewardship is our grateful response to God's abundant love. Each one of us and all of us together have received gifts, indeed all good gifts, from God. As faithful stewards of God's grace we respond individually and together with gratitude.

This Directory can be a marvelous resource for us, helping us connect with each other and guiding us to ministries which can nourish us in time of need and summon us to service as we strive to respond more deeply to God's love. I am privileged to see the Kingdom of God revealed every day in the lives of this family and in the ministries of our parish. I pray we all grow in our love for one another and in our commitment to this mission. Mary has shown us the way to her son. We are blessed to follow her in her mission of bringing Christ to the World.

Per Matrem Ad Filium, (Through the Mother to the Son)

Fr. Mitch Doyen Pastor

#### Stewardship is. . . . .

not a program... it is a way of life. not an activity . . . it is the way we live our life every day. not the latest fad . . . it is biblically based. not a way to raise money . . . it is a way to attain holiness. not just a decision of the head . . . it requires a conversion of the heart. not an option . . . integral to our Catholic faith. not another thing to do . . . why and how we do what we do. not about our generosity . . . about our response to God's

generosity. what you do after you say, "I believe".

# FOUR PRINCIPLES OF BIBLICAL STEWARDSHIP

By Hugh Whelchel

In a recent blog on **stewardship** we asked the question, "What does stewardship look like in our lives today?" Unfortunately, many Christians today only associate the idea of stewardship with sermons they have heard about church budgets and building programs.

But for us at the Institute for Faith, Work & Economics, the idea of **biblical stewardship** is about something much more expansive. We believe it is where the concepts of faith, work and economics intersect.

Bill Peel over at The High Calling recently wrote an excellent essay entitled *Leadership <u>Is</u> Stewardship*. His essay can help us build a framework to begin unpacking this biblical idea of stewardship.

Peel suggests that there are four important principles about biblical stewardship we must understand:

#### 1. The principle of ownership.

The psalmist begins the **24th psalm** with,

The earth is the LORD's, and everything in it, the world, and all who live in it.

In the beginning of Genesis, God creates everything and puts Adam in the Garden to work it and to take care of it. It is clear that man was created to work and that *work is the stewardship* of all of the creation that God has given him.

This is the fundamental principle of biblical stewardship. God owns everything, we are simply managers or administrators acting on his behalf.

Therefore, stewardship expresses our obedience regarding the administration of everything God has placed under our control, which is all encompassing. Stewardship is the commitment of one's self and possessions to God's service, recognizing that we do not have the right of control over our property or ourselves.

Echoing **Deuteronomy 8:17**, we might say: "My power and the strength of my hands have produced this wealth for me." But **Deuteronomy 8:18** counsels us to think otherwise: **Remember the LORD your God, for it is he who gives you the ability to produce wealth.** 

#### 2. The principle of responsibility.

In explaining responsibility, Peel **writes**, Although God gives us "all things richly to enjoy," nothing is ours. Nothing really belongs to us. God owns everything; we're responsible for how we treat it and what we do with it. While we complain about our rights here on earth, the Bible constantly asks, What about your responsibilities? Owners have rights; stewards have responsibilities.

We are called as God's stewards to manage that which belongs to God. While God has graciously entrusted us with the care, development, and enjoyment of everything he owns as his stewards, we are responsible to manage his holdings well and according to his desires and purposes.

#### 3. The principle of accountability.

A steward is one who manages the possessions of another. We are all stewards of the resources, abilities and opportunities that God has entrusted to our care, and one day each one of us will be called to give an account for how we have managed what the Master has given us.

This is the maxim taught by the Parable of the Talents. God has entrusted authority over the creation to us and we are not allowed to rule over it as we see fit. We are called to exercise our dominion under the watchful eye of the Creator managing his creation in accord with the principles he has established.

Like the servants in the Parable of the Talents, we will be called to give an account of how we have administered everything we have been given, including our time, money, abilities, information, wisdom, relationships, and authority.

We will all give account to the rightful owner as to how well we managed the things he has entrusted to us.

#### 4. The principle of reward.

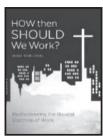

In **Colossians 3:23-24** Paul writes: Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.

The Bible shows us in the parables of the Kingdom that faithful stewards who do the master's will with the master's resources can expect to be rewarded incompletely in this life, but fully in the next.

We all should long to hear the master say what he exclaims in **Matthew 25:21**: Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!

As Christians in the 21st century, we need to embrace this larger biblical view of stewardship, which goes beyond church budgets or building projects, though important; it connects everything we do with what God is doing in the world. We need to be faithful stewards of all God has given us within the opportunities presented through his providence to glorify him, serve the common good and further his Kingdom.

Editor's Note: Learn more about biblical stewardship in Hugh Whelchel's: "How Then Should We Work?"

## STEWARDSHIP IS USING OUR TIME, TALENT, AND TREASURE TO BUILD GOD'S KINGDOM

#### All three elements are equally important!

Stewardship entails a process of continually renewing and recommitting oneself to God. The practice of stewardship is: returning a portion of one's time, talent and treasure back to God in gratitude for the gifts He has given us, assists us in living out the call of the New Evangelization -- which "invites each Catholic to renew their relationship with Jesus and His Church" (USCCB).

Catholics from around the world, inspired by the spiritual rewards of stewardship, are growing in their faith and living it out more fully on a daily basis. Our parish community has adapted *A Stewardship Way of Life*. There are three phases of stewardship which are: Stewardship of Time, Stewardship of Talent, and Stewardship of Treasure.

Living a Stewardship Way of Life, requires us to put Jesus Christ first in our lives and to live every aspect for the glory of Him. It requires us to give of our Time, Talent and Treasure. Only giving one or two aspects makes us incomplete. It is only in giving of our entire self does one come to realize the graciousness and mercy of our Lord.

We walk by faith as we share in Jesus' vision. Stewardship is seeing things and living as Jesus intends. What **you** are is God's gift to **you** what you become is your gift to God! We are a vibrant parish, where believers are actively living as Disciples of Jesus Christ. So, let us honor Mary, and continue her mission in bringing Christ to the world, by living: **A Stewardship Way of Life**.

# A DISCIPLE'S RESPONSE: A PASTORAL LETTER ON STEWARDSHIP

If you say you are a follower of Jesus, then you must be a steward of God's creation. That is the challenge presented in this pastoral letter from the United States Conference of Catholic Bishops. You can download a copy at: http://catholicdioceseofwichita.org/stewardship-resources/documents/parish-stewardship-formation-resources-1/6827-usccb-stewardship-a-disciples-response-a-pastoral-letter-on-stewardship/file

# STEWARDSHIP OF **TIME** - **TALENT** - **TREASURE**

### TIME

**Spending Time with God in Prayer:** We, as a community of faith, must remember that we cannot give what we do not have. In order for us to welcome others into the life of the Church, we first need to make sure that our spiritual lives are properly in order. To become a more prayerful person, take inventory of how you spend the 168 hours in the week. Are you taking time to talk to God in prayer, to speak with Him as you would a friend? Are you seeking His truth through reading the scriptures? Will you make Him first on your priority list so that you are able to give to others from the graces He has given you?

#### COMMUNITY PRAYER

The Mass is the highest prayer of the Church, and should also be the high point of our week. Consider making it your top priority to never miss a Sunday liturgy.

#### PERSONAL PRAYER

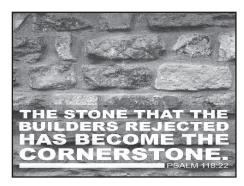

Each person needs to spend time with God one-on-one. A daily heart-to-heart conversation with Christ is the key to personal spiritual growth. Pope Francis encourages Catholics to spend 10 minutes each day reflecting on the gospel for each day, which can be found at usccb.org/bible/readings or on Catholic phone and tablet apps, such as iBreviary, Magnificat or Divine Office.

#### FAMILY PRAYER

"The family that prays together stays together." Choose times each day to pray with your spouse and children: bedtime prayers, a scripture verse at mealtimes, or a decade of the Rosary on the way to school, sporting events, or work.

### **TALENT**

**Serving in Ministry**: Following the example Christ set for us, we strive to offer ourselves in service to others. Every day, we have the choice to serve or to sit back; to get involved or be self-involved. This year, is God calling you to do more for others through service? As the pages of this book attest, there are dozens of opportunities throughout the year to serve others, educate our children, reach out to the needy, and much more. Your participation is welcome. Let's work together to build a welcoming community as we serve God and one another.

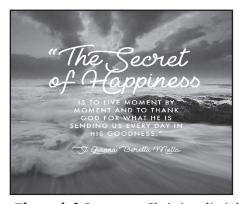

#### RELIGIOUS EDUCATION

Our children learn about God and prepare for the sacraments, thanks to the hard work of our Religious Education Catechists. Will you use your gifts to help our young people grow in their relationship with Christ?

#### PARISH LIFE

Our parish has a lot of ministries and means by which you can serve others, from ushering to cooking to community outreach. What means of service are you most attracted to? Where is your conscience stirring, inviting you to get involved in our parish ministries to serve God and His people?

### **TREASURE**

**Generous Financial Support:** Christian discipleship requires that we put Christ first in every aspect of our lives, including our finances. Are you grateful to God that you are employed? Do you recognize the blessings the Lord has bestowed on you financially? How will you commit to giving back to the Lord a portion of your income? As you discern the amount of your gift, remember that God calls us to give from our "first fruits," not from our leftovers. Ask for the grace to put God first in your finances.

At Assumption, we give to God according to the scriptural "tithe", which literally means 10% of one's harvest or income. Each family is encouraged to break up the tithe as follows: 5% to Assumption Parish and 5% to a charity of your choice.

If you're unable to give the full biblical tithe right now, assess what percentage you can give, and then move up by 1% or 2% increments each year until you can reach the full biblical tithe of 10%.

#### CHALLENGE YOURSELF

If you know you should increase your level of giving, but find it difficult to do so, challenge yourself: "How much do I spend every month on entertainment and eating out? Does my spending reflect the priority of God in my life?"

#### GIVING PERCENTAGE

Why should we determine the amount of our gift based on a percentage of income?

We give the tithe (which means 10% of one's harvest or income) because it is a Scriptural benchmark that has been honored since the early Church (*see Malachi 3:10*).

#### **Automated Giving**

Many of our parishioners choose to automatically direct their financial gift to the church. You may use your bank or credit union's bill pay service to automate your gifts. Simply set up Assumption Parish as you would any other payee to pay according to the schedule you establish. Often times this flexible service is free of charge to you and is always free of charge to the parish.

#### Using Your Bank or Credit Union

#### • Online Giving:

Thank you for your dedicated support of the Assumption of the Blessed Virgin Mary Community. If you have any questions about automated giving options, please contact: **Mary Knapp, Parish Bookkeeper** at 636.240.3721 Ext. 234

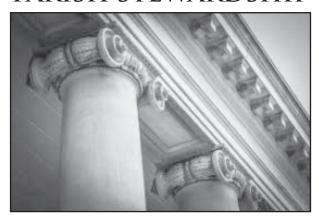

#### **Returning Your Commitment Card**

All members of our parish are invited to complete a stewardship Commitment Card, which will be mailed to each parish household. If you're already praying, involved in parish ministries and tithing, we still invite you to participate in our Stewardship Renewal through filling out a Commitment Card. Make the choice today to be faithful to your word and to what God is calling you to this year.

"Give to the Most High as he has given to you, generously, according to your means. For he is a God who always repays and will give back to you sevenfold." — Sirach 35: 12-13

# THE FOUR PILLARS OF PARISH STEWARDSHIP

# Our stewardship ministries are gathered under these four pillars:

**HOSPITALITY:** We strive to extend a warm, hospitable and loving welcome to all who join us in worship, service, study, social, or in times of personal need. We assist our parish community in presenting a visible sign of Christ's loving kindness in all we do.

**PRAYER:** We grow as disciples who are committed to prayer—individual and communal prayer, public and private prayer. Through prayer we are invited to draw closer to Jesus and to imitate Him in our daily lives. While Eucharist is central to our spiritual life, other prayer opportunities are made available.

**FORMATION:** We strive to educate, form and sustain the stewardship way of life for all ages through faith formation opportunities in the parish and school. We strive to be disciple stewards and give good example as we participate in parish life in ministries and on parish leadership teams. We are open to the continuous conversion to a life of stewardship - to sharing what one has with a loving, generous and grateful heart.

**SERVICE:** We strive to be servant ministers to the need of our parish members, the wider community and Church. We strive to serve compassionately those who are hurting or in need, lost or alone, or suffering in any way. We give thanks to God for all the gifts we have received and we celebrate the special events in the lives of parishioners.

As each one HAS RECEIVED A GIFT, USE IT TO SERVE ONE ANOTHER AS GOOD STEWARDS OF GOD'S VARIED GRACE.

# A PIECE OF HISTORY ABOUT THE SAINTS IN OUR CHURCH BUILDING

**St. Francis:** You are invited to follow in Saint Francis' footsteps; he has been represented as one of the four statues in our church and our reliquary holds a relic of Francis. He was chosen because of his simple living, gospel values and his care of the earth and all of creation.

You may have heard the stories about Saint Francis preaching to the birds in the forest, taming the wild wolf of Gubbio, or cautioning the rabbits and fish to be more careful but Saint Francis was much more than a lover of creation. He innately understood our communion (common-union) with all of creation, as well as the need to show mercy to all. God's mercy changes everything. Francis' life shows us that once you find God's mercy you will want to live it out each and every day.

He went from a rich young man to someone who had left his father's house, left his group of friends, and renounced every material possession he had to become a beggar for Christ. His chief characteristic was this complete trust in God, which was manifested in his embrace of "Lady Poverty" (Mary). Francis began moving in this "way of poverty" when following God's will was more important to him than material possessions. His way of living -- surrendering his entire life over to God—has been emulated by Franciscans all over the world, which currently is the largest religious order in the Roman Catholic Church.

It has been said while Francis was gazing upon the San Damino cross, Jesus loved him and said, "Francis, rebuild my church." "How" Francis asked. (At first he thought it was to rebuild the church stone by stone.) He soon discovered he was to rebuild God's Church by showing mercy and justice to all of creation; by spending time with Jesus and "Lady Poverty" (adoration and Mass) and definitely by studying scripture (Bible study, readings for the week). After all, how else will you be able to bring the Gospel to life and life to the Gospel?

**St Vincent de Paul:** In August of 1617, as Fr Vincent de Paul was preparing for Sunday Mass, a parishioner brought news of the illness and destitution of an entire family in the parish. He preached on their need, and that afternoon the people responded in overwhelming numbers by carrying the family food and supplies. Vincent then called a meeting of interested women, and urged them to put order into their generosity by taking turns. With rules drawn up by Vincent, the women established a group which became the first Confraternity of Charity. (svdp-richboro.org) St. Vincent de Paul's path to becoming the patron saint of charities began when he recognized that the poor were not being evangelized or helped. This led him to first minister to the spiritual lives of his fellow priests, instilling in them a deeper pastoral call to nurture the poor just as Jesus did.

The Holy Family: Jesus, Mary and Joseph are the model of what family life is called to be. A family is a group consisting of parents and children living in a household, who have a common ancestor. Joseph, as husband and father provided and protected his family, teaching Jesus the ways of life. Mary as wife and mother, nurtured and helped shape who her Son was to become. Jesus, an obedient son, responded to the love his parents gave him and grew in wisdom and strength. We, at Assumption, are a family living in the household we call the Church. Our common ancestor is God as Father, Son, and Holy Spirit. Each of us has a role to play in building up this "Holy Family." May we be inspired through the intercession of Jesus, Mary and Joseph to make our Assumption Family more vibrant and faith-filled through participation in the following organizations and ministries: Fr. Mitch's Weekly Reflection, Parish Events (Fall Festival, Crusader Run, etc.), Youth Ministry, Calendar, Sacraments, School/PSR, Server Schedule, Small Church Community.

**St. Monica:** As we journey through life each of us has and will experience times of joy and at other times we will face great struggles. It is said that the difficult times we will experience will make us "bitter or better." With all of the difficulties St. Monica faced she could have easily become a complaining wife, a miserable daughter-in-law and a despairing parent. But her perseverance as she prayed for her wayward son and difficult marriage/family are a witness to each of us. Her faithfulness through patience and prayer are an example for each of us to never give up. Her prayers were answered for her husband and mother-in-law to experience a conversion and after 17 long years her prayers were answered as her son not only converted, but became a bishop and is one of our greatest saints - St. Augustine.

Through the intercession of St. Monica we pray that the ministries of CRHP, RCIA, Evangelization and Ecumenical Ministries, and the events at our neighboring parishes will thrive as through Mary, we lead others closer to Christ.

# MINISTRY: DESCRIPTION AND CATEGORIES

Every week, our parish is buzzing with activity. There are groups that pray together, groups that minister to other parishioners, and groups that reach out to the community. Christ Himself taught us that "whatever you did for one of these least brothers of mine, you did for me" (Matthew 25:40).

You will notice our ministries are broken into four categories which as mentioned early fall under the Four Pillars of a Parish Stewardship. They also align with the four Saints that are in our Church building. When we lay down our wants and desires to serve each other, God blesses our efforts! Will you consider where God is calling you to serve Him? Being an Active Servant: "Jesus said to them, 'Come after me, and I will make you fishers of men.' Then they abandoned their nets and followed him." — Mark 1:17-18

### St. Monica: Pillar of Hospitality

"Her faithfulness through patience and prayer are an example for each of us to never give up. Her prayers were answered for her husband to experience a conversion and after 17 long years her prayers were answered as her son not only converted, but became a bishop and is one of our greatest saints." (St. Augustine).

**Christian Kindness -** "May our Christian communities really be places of hospitality, listening and communion! A place of mercy and hope where everyone is welcomed, loved and forgiven." (Pope Francis).

Jesus teaches that whenever we welcome the least of our brothers or sisters, we welcome Christ himself. That is why the first mark of a stewardship parish is hospitality. Simple kindness is one of the first ways we can be Christ-like toward others.

St. Francis: Pillar of Prayer

"He soon discovered he was to rebuild God's Church by showing mercy and justice to all of creation; by spending time with Jesus; (adoration and Mass) and definitely by studying scripture (Bible study, readings for the week)."

**Lift Up Your Hearts** - Prayer prepares us spiritually to do things we didn't think possible, to reach new heights, to do the will of God. Are you satisfied with your prayer life? Does your family pray together regularly? Is God calling you to spend more time with him? Listen to your heart and challenge yourself, and your family, to live a more Christcentered existence. "But what assures our fruitfulness is our being faithful to Jesus, who says insistently: 'Abide in Me and I in you."" (Jn 15:4) ~ Pope Francis

#### The Holy Family: Pillar of Formation

"We, at Assumption, are a family living in the household we call the Church. Our common ancestor is God as Father, Son, and Holy Spirit. Each of us has a role to play in building up this "Holy Family."

**Continual Conversion** - Saint John Paul II always emphasized ongoing conversion. From childhood throughout adulthood, our whole life must be a process of drawing closer to God. He never stops calling us forward to learn more and to examine ourselves more deeply. At Assumption Parish we are very fortunate to have a number of opportunities for lifelong formation and spiritual enrichment, which are listed on your Covenant Card.

"To be magnanimous with interior liberty and a spirit of service, spiritual formation is necessary." ~ Pope Francis

This led him to first minister to the spiritual lives of his fellow priests, instilling in them a deeper pastoral call to nurture the poor just as Jesus did."

**Love in Action** - "As I have done, so you must also do." These were Christ's words after he washed his apostles' feet at the last supper. In this dramatic moment, Jesus called his followers to a life of humility and service. Helping others, especially the poor, is how our parish community follows Christ's command "to others, especially the poor, is how our parish community follows Christ's command "to love your neighbor as yourself."

### OUR PARISH PRAYER

Lord Jesus, You call us to follow You as disciples. You chose to create us in Your own image and to send us over all the world in all its wonder. Help us to respond wholeheartedly without counting the cost. We commit ourselves to being good stewards. Help us to be grateful, accountable, generous, and willing to give back with humble hearts and make stewardship a way of life. Grant us the grace to understand, and the courage to accept the challenges and opportunities we have been given to help all: "Find Christ here and bring Christ to the world". By the intercession of Your mother Mary, may the Holy Spirit sustain us in this splendid work and may we look forward in hope to the day when Your reign is established once and for all throughout all creation. We ask all of this through Christ our Lord. Amen!
