Hello,

Scrutinies. If you were at the 8am Mass this Sunday or any during the next two weeks you will see that we are celebrating the scrutinies with those who are going to enter the Catholic Church this Easter. So a logical question may be, so what are they and why are we doing them? Glad you asked.

The scrutinies are a practice that come from the earliest days of the Church. Most of the people who were entering the Church were not doing so by being baptized as infants and growing up in the faith, but rather was a part of the process for those converting as adults. That is why they are a part of the Rite of Christian Initiation of Adults (RCIA), to be celebrated with those to be baptized at the upcoming Easter Vigil. "They are meant to uncover, then heal all that is weak, defective, or sinful in the hearts of the elect; to bring out, then strengthen all that is upright, strong, and good. . . . These rites, therefore, should complete the conversion of the elect and deepen their resolve to hold fast to Christ and to carry out their decision to love God above all." (RCIA, p141)

The format of each week is the same, after the readings and homily they are invited forward, the congregation prays for them with intercessions, and the priest says a prayer of exorcism over them. This is similar to what is done at the ceremony of an infant baptism which is a condensed form of the original rites for accepting adults into the Church. Each of the three scrutinies are related to the readings from the 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> weeks of Lent in the A Cycle (the cycle we also happen to be in this year).

The first scrutiny refers to the woman who talks to Jesus at the well. Through her experience with Christ she would examine her life, admit the ways in which she had sinned, and be encouraged to change her life.

The second scrutiny refers to the miracle of Jesus giving sight to a blind man. Despite pressures from others who are trying to trap Jesus and doubt all that he does, this man simply recognizes the great gift he has been given of his sight and allows it to help his faith.

The third scrutiny refers to the sisters Mary and Martha asking Jesus to come for their brother Lazarus who is ill, and the miracle of Jesus raising Lazarus from the dead. We too need to recognize that Christ is the means for true and eternal life.

These scrutinies are good for all of us. They bring us together in support of those who are entering the Church, and help us reflect and be open to the healing and strengthening that we also need, especially during this season of Lent.

Peace,

Fr. Nick

### Assumption Patriot Award winners Move to State!

Each year more than 84,000 students in grades 6-8 enter the VFW's Patriot's Pen Youth Essay Contest for their share in more than \$55,000 in state and national money.

The essay contest encourages young minds to examine history along with their own experiences in modern American society, by drafting a 300 to 400 word essay, expressing their views on a patriotic theme chosen by the VFW's Commander-in-Chief.

The 2022-2023 theme was, "My Pledge to Our Veterans". Bella Boss, Ben Heckart and Luke Gandolfo, Assumption 8th graders, submitted their essays through Mrs. Stacy Chassaniol's Social Studies Class, and after being judged by our local VFW members, were chosen as 1st place, Bella Boss, 2nd Place, Ben Heckart and 3rd place, Luke Gandolfo. Each essay moved forward for State Review and then, if chosen, National Review. Congratulations to Bella, Ben and Luke!

### Assumption Gifted Program Uses MIT (Massachusetts Institute of Technology) coding

Last year, Mrs. Tere Bowman began a pilot program for gifted students in 3<sup>rd</sup> grade. Because of its success, it has now expanded to grades 3-5, with the current activities based on computer coding through the Massachusetts Institute of Technology students. Through their efforts a foundation has been developed to spread opportunities such as this throughout the world.

Scratch, developed by MIT, is the world's largest coding community for children and a coding language with a simple visual interface that allows young people to create digital stories, games, and animations. Scratch is designed, developed, and moderated by the Scratch Foundation, a nonprofit organization. At the Scratch Foundation, the mission is to ensure that Scratch and Scratch Jr are available for free, for everyone, so that children around the world can express their ideas through coding.

Scratch promotes computational thinking and problem solving skills; creative teaching and learning; self-expression and collaboration; and equity in computing.

Our students, under the supervision of their "Gifted Program" teacher, Mrs. Tere Bowman, begin using the [Scratch Ideas page](#), found on the Scratch website! This page offers a variety of tutorials, guides, coding cards, and projects for children, families, and educators.

The [Getting Started with Scratch Info Sessions](#) offer a facilitated opportunity to learn more about the Scratch editor, online community, and ways Scratch is used by young people and educators around the world.

In class the students explored the what, why, and how of creative learning with others in [Learning Creative Learning](#), an online course organized by the Lifelong Kindergarten Group — the group who created Scratch — at the MIT Media Lab. The weekly workshops introduce the creative learning ethos found on the Scratch platform and share ideas for using Scratch through a creative learning approach.

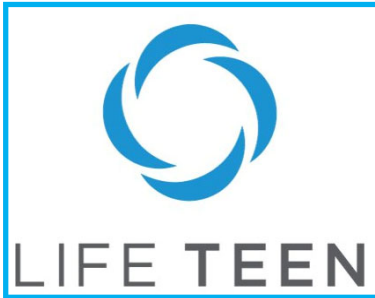

You and your family might be interested in having a project where all are learning to do something together – like creating through coding a cartoon.

This weekend at the 8:00 am Mass we will celebrate the “First of three Scrutinies”. For the next two weeks we will use the Lectionary’s “scrutiny readings” from Year A at the 8:00am Mass. The Cycle A readings for the Scrutinies are rich in baptismal imagery therefore only for the Elect. Today was water, next week is light, and the following week is life. The purpose of the Scrutinies is “to uncover, then heal all that is weak, defective, or sinful” in the hearts of the Elect and to “strengthen all that is upright, strong, and good.” (Quotes from Ritual Text for Rite of Christian Initiation for Adults, paragraph #141.) We urge you to prepare for the celebration of the scrutinies in a personal way by discerning what it is in your own life that needs to be freed from sin’s bondage.

Prayer cards for the elect are available in the back of church as well as in the bulletin. Each person and child should cut out the picture and put in an envelope with a special message. Please remember to take one or several home and keep them in your prayers throughout the season of Lent.

Roger and Jim lead the RCIA session on Salvation and our quest for eternal life.

“...living the truth in love, we should grow in every way into Him... from whom the whole body, held and joined together by every supporting ligament brings about the body’s growth and builds itself in love.”

**There is still time for qualifying K-8 families to apply for grants from the MOScholars program.**

Don’t delay! To see if you qualify, fill out the pre-qualification survey at <https://esasurvey.paperform.com>. It’s easy and could assist you with joining our loving Assumption School family, and cover your entire tuition!

The MOScholars application is in addition to the regular Today and Tomorrow Educational Foundation (TTEF) scholarship application and another source to help families in Missouri with non-public school tuition assistance. Last year, the State of Missouri launched MOScholars, which provides state tax credits in exchange for contributions to approved, non-profit Educational Assistance Organizations (EAOs). EAOs then use the contributions to award scholarships to Missouri students.

If you have questions about the MOScholars application or any Assumption financial aid, please contact Mark Vogt, Assumption Business Manager, [mvogt.abvm@gmail.com](mailto:mvogt.abvm@gmail.com) or 636-240-3721, ext. 225.

**Holy Men of God** – TMIY is back for another session with Founder, Steve Bollman. Last session we were brought face to face with the abandonment of our covenant with God. Modern culture is suffering the consequences of war, famine and death. If we look closely, we will see that God is giving us signs to call us back to him.

**The will of God will be accomplished.** We have two options - collapse or convert. *Which will you choose???*
