Hello,

Just yesterday our eighth graders received the sacrament of Confirmation at the Cathedral Basilica, the last of the three sacraments of initiation, (Baptism, Eucharist, and Confirmation). We recognize they are growing older, and need the grace and gifts of the Holy Spirit as they grow more independent and strive to live faithful lives. From our baptism we are all called to be saints, and the hope is the reception of this sacrament will help them on that journey.

One of the things most of us remember from our Confirmation is what saint's name we took. The purpose for choosing a specific saint is usually someone who exhibits characteristics that we would like to have or also a saint that we would like a special link with and ask for their intercession. St. Sebastian has been a popular one at times as the patron saint of athletes, and lately St. Luigi Scrosoppi has become known as the patron saint of soccer (or football for non-Americans). Francis of Assisi is known for animals and ecology, but also for his humility and the simplicity of life he would follow, and Cecilia for musicians and many others.

Just this week we have numerous saints that one might consider for their Confirmation name: St. George the dragon slayer, he didn't slay real dragons but suffered martyrdom for his faith to the point where many became Christian because of his example; St. Mark the Evangelist who wrote the Gospel of Mark and was known to be close to both St. Peter and St. Paul; St. Catherine of Siena, known for her care of the poor and the sick but also as an advisor to the pope who would convince him to move back to Rome from Avignon.

We have plenty of saints we can look to for examples and their prayers, but I did what some do, in choosing their Confirmation name, I kept my baptismal name, Nicholas. I think most of us have heard of him and he seemed to have some good characteristics like caring for the poor and children and fighting against heresies in the Church. What saint did you choose for your Confirmation name?

Peace,

Fr. Nick

CALENDAR PLANNING MEETING TUESDAY, MAY 7, 6:30PM | HALL C

We are having a parish facilities calendar meeting on Tuesday May 7 at 6:30pm. Representatives from any parish group that uses our facilities are invited and would hopefully know what events or needs they may have for the coming year (June 2024-June 2025.) If you are aware of particular events, please email Debbie Orf (debbieorf@abvmtech.org) a brief description of the event, the space needed, and the time when this may occur before the meeting so we are aware of possible conflicts going into the meeting. Hopefully this will help us use our facilities in the best ways for our parish mission and our parishioners and avoid unnecessary conflicts.

Peace again,

Fr. Nick

The preliminary numbers are in, and **at first glance nearly \$110,000 was raised for catholic education** at the 11th Annual Assumption 2024 Black & Gold Gala, Saturday, April 21.

A sincere THANK YOU to all Assumption parishioners, clergy, teachers and staff, donors, School Gala Committee members, and parishioner and auctioneer John Grabowski, as well as attendees and auction booklet advertisers for your dedication and support! The Gala also could not have succeeded without the assistance of our generous sponsors, which include El Tio Pepe Mexican Restaurant, Lou Fusz Chevrolet, Lou Fusz Ford, Eastern Quality Foods, St. Dominic High School, Christian Brothers High School, STL Digital, Twin Oaks Senior Living, Assumption Crusader PTO and The Maggie Welby Foundation. **Your generous gifts make a difference!**

Congratulations to Lisa and Bill Bart and family for winning the 2024 Golf Cart Raffle. A special thanks to STL Custom Cartz and the Currino family for all the support. We also want to congratulate Jacob Ohlms for winning the Morgan Wallen concert tickets and experience in Kansas City. Both of these raffle items generated a lot of interest. In addition, this year's Fund-A-Need generated enough money to pay for 2-3 new school air conditioners! **Thank YOU for your generous donations and helping us reach our goals!**

The Gala committee cannot thank our parishioners enough for being so flexible and understanding about reserving the entire parish hall for the weekend to put on this incredible fundraising event. **Our Hearts are filled with much gratitude.**

ST. VINCENT de PAUL FOOD PANTRY NEEDS YOUR HELP

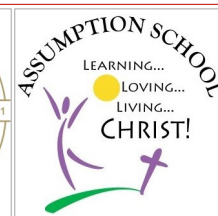

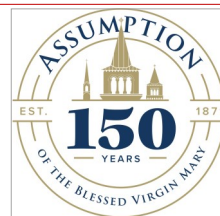

The Assumption St Vincent de Paul conference has been supporting neighbors within our parish boundaries for over 64 years. We even expanded our coverage to support The St Juan Diego (Formerly St Barnabas) area in the fourth quarter of 2023. The majority of our neighbors that we assist are working single parents, the homeless, and the elderly/disabled that are on a fixed income. Your donations assist the Assumption conference in providing not only the basic needs (food, clothing, and shelter), but also needs that help them, help themselves, (gas and car repairs.)

We thank all our parishioners for your generosity. The demand for assistance continues to increase and we are asking for you to consider using a new online method to donate. Please scan the QR code to link directly to the churches online giving system. If you don't have an account, you must create one before submitting your online donation. No amount is too small and any assistance is a blessing.

Thank you for your consideration,
The Assumption St. Vincent DePaul Team

LADIES AUXILIARY PROVIDE CHILDREN AND FAMILIES IN CRISIS COMFORT AND HOPE

The O'Fallon Knights of Columbus #2269 Ladies Auxiliary recently sewed and donated 63 fuzzy fleece blankets to The Child Advocacy Center of Northeast Missouri, as a cozy act of kindness to abused children and children who have witnessed violence throughout the St. Charles County area. The faith-filled women hope the cuddly blankets will serve as some form of comfort to the children in need.

On Thursday, April 18, at a monthly meeting, the group presented the soft blankets to Heather Cushing, Development Director of The Child Advocacy Center, after giving the Ladies Auxiliary a short presentation about the mission and services of the advocacy. The charitable event was part of the auxiliary's spring service project focusing on giving back to the community.

With charity and faith at the heart of everything they do, the Ladies Auxiliary brings Christ to the world through the O'Fallon Knights of Columbus by supporting Assumption Parish and the community.

For more information about the O'Fallon Ladies Auxiliary, contact President Beth Delano, at bdelano06@gmail.com.

RCIA: THE RITE OF CHRISTIAN INITIATION OF ADULTS

Let's begin with a summary of the theology of baptism as it appears in *The General Introduction to the Rite of Christian Initiation of Adults*: "Baptism incorporates us into Christ and forms us into God's people. This first sacrament pardons all our sins, rescues us from the power of darkness, and brings us to the dignity of adopted children, a new creation through water and the Holy Spirit. Hence we are called and are indeed the children of God" (RCIA, 2).

*In his Passover Christ opened to all men the fountain of Baptism. He had already spoken of his Passion, which he was about to suffer in Jerusalem, as a "Baptism" with which he had to be baptized. The **blood and water** that flowed from the pierced side of the crucified Jesus are types of Baptism and the Eucharist, the sacraments of new life. From then on, it is possible "to be born of water and the Spirit" in order to enter the Kingdom of God. **See where you are baptized, see where Baptism comes from, if not from the cross of Christ, from his death.** There is the whole mystery: he died for you. In him you are redeemed, in him you are saved. (CCC 1225)*

During the RCIA Mystagogy session on April 21, Fr. Nick administered the Sacrament of the Sick to RCIA Catechist Sister Theresa Jezl. Please pray for Sister Theresa who will have hip surgery on April 30.

PRINCIPAL'S PEN

Fine Arts and Ice Cream Night | May 2, 6-8pm

You are invited to our Fine Arts and Ice Cream Night in the main school building. You'll be able to see our students practice our upcoming musical, "Aladdin" in the gymnasium (performances May 3-5), view all of the ARTwork from our students—3D art, clayworks, 3D design projects, watercolor paintings, kiln work, and others. We will have our Science labs open, where parents and students can see experiments happen and participate in the fun, as well.

Lastly, our Music department will have short student performances of our K-Fourth Graders in the Music Room throughout the evening, thanks to Mrs. Penn.

Of course, all children will receive a free ice cream, at the indoor concession stand, to cap off a great night of fun.

The Great History Challenge | Assumption Finalists

The Great History Challenge is an event offered to schools throughout our United States. The event is a fun, exciting national academic competition. Students answer questions drawn from National Council for the Social Studies (NCSS) curriculum standards. Top students are invited to compete for prizes at regional events!

Of the thousands of students across the country who competed in the Great History Challenge online, **only a select few scored high enough to qualify for the Live Regional Event that happened on April 18 at Westminster Academy. Sixteen Assumption students qualified to do so!** This is a huge accomplishment. At the Live Regional Event, students from across the region competed head-to-head to be the first to "buzz in" and answer questions about history. It was a fast-paced, exciting, and a great time for all attendees.

Congratulations to Chase Gantner, Sam Moliter, Ivy Schenk, Vince Tabacchi, Danica Willis, Jack Hoermann, Noah Kleckner, Crosby McHugh, Zak Summers, Nicholas Yates, Lex Felix, Samuel Marek, Aiden Mathis, Quinn Rinearson, Bennett Struckman, and Jake Tucker and to their teacher, Mrs. Stacy Chassaniol!

Enrichment Classes at Assumption

Under the direction of Mrs. Tere Bowman, we offer Enrichment Classes to students in second, third and fourth grades. The group of students in our fourth grade used a BLOCK CODING APP, called "Scratch." This app allows the students to create code (programming directions) to develop a game on screen. Each student developed their own game, but had to include two characters, a ball in action, and audio. When the students came to show me what they had created, I was able to watch and listen as the game progressed to the end. It was COOL!!

Thanks for reading about Assumption School!

God Bless!
