Hello,

This week we have our annual reports available which, along with other things, has information about our parish finances over the last fiscal year. One of the areas of interest regarding our finances is appropriately our debt, or the loan we are paying down. In 2013, when a big renovation was done to expand the school and provide space for a preschool and offices costing \$5.5M, a capital campaign titled 'For Our Children' was conducted and raised \$1.9M. This resulted in the parish taking out a loan for \$3.3M to cover the rest. I am focusing on that today for a few reasons: 1. We are getting closer to paying off the loan; 2. Some recent contributions have helped bring our last payment even closer, and 3. Our parish reserves (the amount of cash on hand) now exceeds our debt.

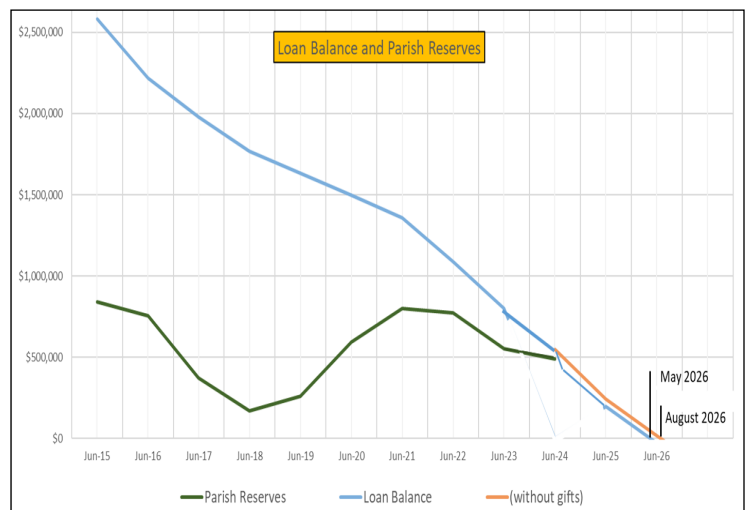

The estimated last payment date for our loan at the end of our last fiscal year was August 2026. This is considerably earlier than originally forecasted for 2028, as it was a 15-year loan that started in 2013. Even though the loan was renewed in late 2018 to reduce the payments as our Parish Reserves were getting low, through your

contributions and management of our finances we have been able to keep up with payments, rebuild some reserves, and even pay down some of the principal through grants from the Archdiocese of \$75,000 each of the last few years.

Recent special contributions have also allowed us to pay down some of our debt. A bequest of \$40,000 was made in memory of Arthur and Paul Niebur, that along with about \$5,000 that also has been contributed specifically to reduce our debt, has moved our estimated last payment date back three more months to May 2026.

The other note to make is regarding our Parish Reserves. As the plot below shows, we have managed to bring our Parish Reserves back from to where it currently is above our loan balance. (Note: The parish reserves value noted for each year is for June 30, the end of our fiscal year, but also normally at the low point for the year being immediately prior to tuition payments for the upcoming school year.)

I hope this, with the annual report, helps you understand the finances of our parish, and the importance of your support.

Peace,

Fr. Nick

## PRINCIPAL'S PEN

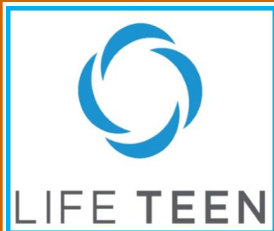

I wanted to take a moment to express how proud I am of our seventh and eighth grade students for their outstanding behavior and representation of our school during the recent field trip to City Hall, honoring the events of September 11. This trip provided a valuable opportunity for our students to learn about the significance of this day in history, and they demonstrated respect, curiosity, and thoughtfulness throughout the experience. Their behavior was exemplary, and they were true ambassadors of our school's virtues—showing kindness, empathy, and a willingness to engage in this service. It's moments like these that remind us of the incredible potential our students have to lead with compassion and integrity. We are proud to have them as part of our school community, and I know you are too. Please join me in congratulating our students for representing us so well.

Blessings,  
Mrs. Jamie Burbridge
