

Assumption of the Blessed Virgin Mary

OCTOBER 27, 2024

May you find Christ here ... May you bring Christ to the world

30TH SUNDAY IN ORDINARY TIME

Jesus said to him in reply,
"What do you want me to do
for you?" The blind man
replied to him, "Master, I want
to see." Jesus told him, "Go
your way; your faith has saved
you." Immediately he received
his sight and followed him on
the way. - Mk 10:51-52

Hello,

This week I saw that the annual report of World Church Statistics came out of the Vatican. For some of you that may not sound very exciting, but I always like looking at statistics to see what it might tell me that I wasn't as aware of as I should be. (This information is for Dec 31, 2022)

As expected, the world population went up. The total is 7,838,944,000 that is 53,175,000 more than last year. The total number of Catholics also went up to 1,389,573,000, an increase of 13,721,000, which is 17.7% of the world population, a slight increase of 0.06% from last year. The only continent that went down in both percentage and number was Europe, which has 285,589,000 Catholics out of 722,315,000 people, which was a decrease of 474,000 Catholics from the previous year and their percentage is now 39.5% Catholic (-.04% from last year).

I have to say that the number that surprised me most in the continental information was the stats for Catholic America. Out of 1,038,640,000 people we have 661,209,000 Catholics, or 64.1%. (That was an increase of 8,275,000 people, 5,912,000 Catholics, and +.06%). I guess what surprised me is that we seem to consider our society as becoming so secular, and yet we are over 64% Catholic.

A big factor that needs to be considered here is that this is for all of America, North and South, not just the U.S. In the United States, we are 22.63% Catholic, but Brazil, the country with the greatest number of Catholics in the world, is 78.95% Catholic and Mexico is 86.67% Catholic. In the U.S., we are still over 68% Christian (2023 Gallup polling), about a third of that is Catholic.

I guess this is important to realize when we consider what type of a culture we live in and how that compares with what others live in, our country is still very highly Christian and strongly Catholic. Sometimes we may think that our society doesn't feel that way due to what we see in our culture, but compared to most of the world, we are very Christian and Catholic. Asia is only 3.3% Catholic and they have 59% of the world population. And, if we become more connected with the rest of America in our culture, (like Mexico and Brazil), we will become vastly more Catholic. And we need to not just have those numbers, but to live out that faith in our society.

Another thing I noted was the number of Catholic hospitals and orphanages around the world. In America, there are 1392 Catholic hospitals and 2226 orphanages, a good number, but I am sure much less than there used to be. In Asia, there are 1168 Catholic hospitals and 2705 orphanages. Not nearly as many, when you consider they have over 4 times as many people, but an incredible amount when you consider they have less than 1/4th the number of Catholics. With such a small percentage of Catholics there, I have to believe that this is mostly from missionary efforts, a strong presence and living of the faith in those societies.

And for a last piece of information (from a different source), the country with the highest percentage of Catholics, Vatican City at 100%.

Peace,

Fr. Nick

CHRISTIAN INITIATION OF ADULTS (FORMERLY RCIA)

The **Period of Inquiry** is a time to become acquainted with the Catholic Church and to hear the good news of salvation from Jesus Christ, our Savior. It is a time to look within one's life story and see connections to our needs for the Gospel. This reflective process becomes a continuing, ongoing method during the entire journey. During this reflective process, one should ask questions, discern, and learn about a life of faith in Christ and the Catholic Church. As this Period of Inquiry ends this weekend, we prepare the group by explaining the first part of the Mass. This is also the time to have individual discernment with a team member. During this discernment, some may decide that this is not the right time for them to consider membership in the Catholic Church. It is entirely up to the individual's free will, and no pressure will be exerted against this decision. For those who decide to continue in our sessions, they will start attending the 8am Mass next Sunday and then are dismissed after the homily for Breaking Open the Word, where one will encounter Scripture in one's own life and discuss it amongst one's group. **In addition, next Sunday at the 8am Mass, we will have one of two special Rites.**

Combined Rite [505 - 506]: Where there are both unbaptized and baptized inquirers in a parish, there is the option of a combined rite at this stage. This rite is formally known as "The (Combined) Celebration of the Rite of Acceptance into the Order of Catechumens and the Rite of Welcoming Baptized but Previously Uncatechized Adults Who are Preparing for Confirmation and/or Eucharist or Reception into the Full Communion of the Catholic Church".

The Rite of Christian Initiation of Adults makes clear in nearly 20 different paragraphs that the process of initiation takes place within the larger community of the faithful. The Rite calls the community of the faithful to be engaged and involved in this process. It also places the celebrations of the rituals in the context of Sunday Mass—unless there are pastoral reasons not to do so—in order to assure that the entire community participates (see Rite of Christian Initiation of Adults 31).

What is your role in helping these seekers? We encourage you to extend your hands over the group during the Rite as well as any prayers for them during Mass. By offering prayer, support, and example for those who are seeking Christ, the community of the faithful becomes an active, engaged, and important part of the initiation process.

O'FALLON KNIGHTS OF COLUMBUS #2269 STAR COUNCIL AWARD

The O'Fallon Knights of Columbus Council #2269 was recently recognized with the prestigious Star Council Award! This award symbolizes excellence across several key areas:

- ◆ **Membership Growth**
- ◆ **Insurance Promotion**
- ◆ **Leadership and Administration**
- ◆ **Program Activities that support our mission of serving the Church, community, family, and life.**

To celebrate this achievement, a special dinner was held on September 19 where District Deputy, Art Bottorff, presented the **Star Council Award** to the Council and, in addition, several awards were also presented to the Ladies Auxiliary.

The Knight of Columbus Council #2269 would like to thank Fr. Nick, Msgr. Stehly, Fr. Patrick, the whole Parish staff and community, and fellow Knights and Ladies Auxiliary for supporting our endeavors!

PARISH SCHOOL OF RELIGION (PSR) NEWS

OCTOBER FAITH FORMATION EVENT

On the evening of Wednesday, October 16, our Assumption PSR fifth grade students received their own Breakthrough Bible during our annual Bible Blessing. These Bibles, generously donated by the O'Fallon Knights of Columbus and Ladies Auxiliary #2269, were blessed by Fr. Nick and presented to the students by their fifth-grade catechists.

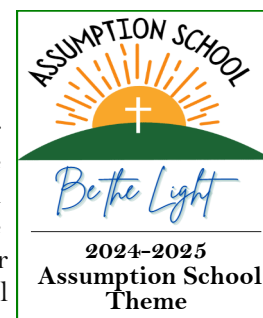

Fr. Nick reminded our students that the Bible is not a book to be left on a shelf, but rather it is a gift to be used to guide our lives. May God's Word continue to transform these students as they grow in their faith.

PRINCIPAL'S PEN

I am excited to share some wonderful news! The playground committee is ready to launch a campaign to support the construction and restructuring of three separate activity areas on our campus. These areas will provide spaces for our children to play and grow, but also encourage physical activity, creativity, and community engagement. Our goal is to create safer, more accessible, and more fun spaces that meet the needs of all our students. The new designs will include updated equipment, areas for all ages and features that will promote both physical and social development.

Area #1: Outdoor Classroom

This area will be updated with low climbing structures, rope balance beams, and multiple shade options. In addition, we will be tying our faith into this space by adding the Stations of the cross, a rosary walk and more.

Area #2: Early Childhood Playground

This area will be located adjacent to the Early Childhood Building and will be geared toward our preschool through 1st grade students.

Area #3: Sport Court

This area will be located where the old playground was by the soccer fields. This will be the new home of the GaGa Ball Pits and will be open to our Parish and School families. The Sport Court will be a multipurpose court that includes, pickleball, basketball, hockey, four square, tennis and more.

To bring this vision to life, we are launching a fundraising campaign and will roll this out in phases.

Pre-Phase: (What we plan to do before starting fundraising efforts)

We will work to update the Outdoor Classroom and relocate the GaGa Ball Pits. PTO will be purchasing mats for the GaGa Ball Pits. We have financial support to get this phase up and running in our near future.

Phase 1: The construction of the Early Childhood Playground.

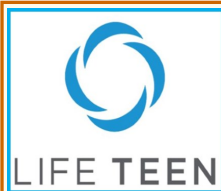

Phase 2: The foundation of the Sport Court

Phase 3: The construction of the the Sport Court

We are finalizing a timeline and look forward to sharing fundraising endeavors with you. We believe that, with the help of our amazing parish and school community along with many of our stakeholders (PTO, Men's Group, Auction Committee, Golf Tournament, Athletics, The Maggie Welby Foundation, and Parish) we can reach this goal and provide our students with activity areas they will enjoy for many years to come. Together, we can create exciting new spaces for our children to enjoy, explore, and make lasting memories.

Come join us on November 1st for a Fall Family Event, all proceeds benefiting the activity areas for our school and parish community. For more information see Fall Family Event in the Parish Bulletin and Facebook pages. We hope to see you there!

Many blessings,
Jamie Burbridge
