Hello,

A topic we have been hearing everywhere lately is about the coronavirus, or COVID-19. Archbishop Carlson issued a letter on Monday addressing this topic. He has informed all pastors that precautionary measures should be taken at this time to mitigate the spread of colds, flu, and other contagious illnesses. Fortunately, right now, there are no known cases of the coronavirus in Missouri and the immediate risk to most Americans is low, but some simple steps can be taken to help keep things this way.

At the direction of the archdiocese to protect parishioners from the spread of illness when we gather for Mass the following steps are going to be practiced beginning this weekend until they are deemed no longer necessary:

- ◇ The Distribution of Holy Communion from the chalice will be suspended.
- ◇ All are encouraged to exchange the sign of peace and greetings without physical contact (not shaking hands or embracing).
- ◇ It is encouraged that Holy Communion be received in the hand (as opposed to on the tongue).
- ◇ Maintain space between one another in the pews (about 3 ft. if possible), using all areas of our church.

Other practices that our parish will continue to do or newly incorporate at this time are as follows:

- ⇒ All sacred vessels are washed with soap and hot water whenever they are used.
- ⇒ Once a week the Holy Water fonts will be sanitized with the Holy Water poured out on the ground, including the water from the baptismal font.
- ⇒ Good hygiene, including the use of alcohol-based hand sanitizer lotion and proper cough-and-sneeze etiquette is encouraged for all. Extraordinary ministers of Holy Communion are especially reminded of this prior to the distribution of Holy Communion.

I would also like to take this time to remind the elderly, and any who may be particularly vulnerable to such diseases, to consider participating in the Mass on TV (via channels such as EWTN or our 10am Mass recording through our parish website) and to request that Holy Communion be brought to them.

And all who have a respiratory infection, the flu, a fever, or a serious cold are encouraged to stay home, knowing that when suffering these conditions, they are not bound by the obligation to attend Sunday Mass.

Hopefully all of these concerns will quickly diminish and we may return to some of our previous practices. For now, maybe some of these can be considered as Lenten disciplines that can raise our awareness and concern for others, and that may increase our appreciation of the practices when we can return to them.

Peace and good health,

Fr. Nick

Our Ash Wednesday Services were full and beautiful. A parishioner shared that he attended our 8:00am Ash Wednesday Mass and this is what he had to say: "I was surprised at how full the Church was. My wife and I sat in the back pews near the St. Monica Statue. I was sitting by an older gentleman, I would guess that he was in his late 80's, frail man. What moved me the most about this older man was that he did his best to sing every single song that the choir performed without missing a beat, which made me want to sing along as well!! This is just one of the powerful things Fr. Jim Sichko did for our parish – helping all of us want to sing and pray from our hearts together as a community!"

**May you find Christ here... may
you bring Christ to the world!**

"For thus says the Lord: When you call Me, and come and pray to Me, I will listen to you. When you look for Me, you will find Me. Yes, when you seek Me with all your heart, I will let you find Me..."

"...living the truth in love, we should grow in every way into Him...from whom the whole body, held and joined together by every supporting ligament brings about the body's growth and builds itself in love."

- Ephesians
4:15-16

The Rite of Sending and The Rite of Election that was celebrated last Sunday formally brings to an end the catechumenate period, the time that these individuals have spent exploring church teachings and reflecting on the Word of God. Did you notice that only certain people signed the Book of Elect? According to the Rite of Christian Initiation of Adults, in the combined rite for sending catechumens and candidates (530-546), **it is clear that only catechumens sign the Book of the Elect** even when candidates participate in this combined rite of sending. For those of us who are baptized, (Candidates) we can recall that it is God who first chose us, and we responded by professing our faith and entering into the waters of baptism. In the same way, it is God who first called and chose the catechumens (unbaptized). Their signature, then, is not just a sign of their commitment to be faithful to the God who chose them; it is a sign that God has placed their names onto the roll of those who will put their lives on the line, first by dying in the waters of baptism, then by sacrificing themselves and living as resurrected people every day after. Team RCIA

Want to make a difference this Lent? One of the most powerful things you can do is pick up a prayer card and pray for your individual and the group. Include a note, card or just say one or two words. These are given to each one on our retreat day which is scheduled for Palm Sunday. Take several and as a family, pray for them. We thank you for your overwhelming support. Return your cards to the basket in the Narthex by March 29th.

DO YOU HAVE A HEART FOR...

Helping a parishioner who takes care of an ailing parent to get out of the house to run an errand or go to Mass? Or to simply have a free hour or two to take some time for themselves? Or, are you someone who could help give someone a ride to Mass from time to time? If that is something you would be willing to help with, please call Jeannette at the parish office: (636)240-3721 ext. 247 or email abvmjeannette@yahoo.com.

ALSO IN NEED...

The K of C and SVDP are working together to see if we can get enough Assumption of BVM members to help support transporting church members or our Neighbors in Need to doctor appointments and/or hospital procedures. Every so often we receive a request to help out in this area and would like to assist if possible. Some of these appointments and/or procedures could be in St. Louis and St. Louis County as well as in St. Charles County. If you are interested or can help in any way, please contact Deacon Richard Tadlock at 314-397-2433.

This weekend is St. Vincent De Paul Pantry ! Weekend!

We thank you again for your continued generosity! Because of your overwhelming support, we are limited on space at this time, but the pantry is very low on the following specific items:

FOOD: jelly, pancake syrup, pancake mix, Chicken Helper, Tuna Helper, Sloppy Joe's, crackers, and canned pears. (PLEASE CHECK EXPIRATION DATES OF ALL DONATED FOOD ITEMS)

NON-FOOD: toilet paper, shampoo, deodorant, razors, laundry detergent, and dryer sheets.

We greatly appreciate any help with these items and, as always, with the donation of any grocery store gift certificates. This allows our neighbors in need to choose dairy, produce and meat items.

Thank you for your continued support!

LENT

March 8, 2020 — Second Sunday of Lent

GN 12:1-4A; PS 33:4-5, 18-20, 22; 2 TIM 1:8B-10; MT 17:1-9

Our readings for this second Sunday of Lent offer us Christian stewards motivation to continue on our 40-day journey towards deeper holiness.

The first reading from the book of Genesis describes God's call to Abram (who would later be called Abraham). God instructs Abram to leave his home and set out to a land that God had chosen for him. Abram's response is an ancient example of a good stewardship. Instead of clinging to his comfortable home and way of life, he recognizes that all he has is gift from God, puts his trust in God and obeys. And God rewards him saying, *"I will make your name great, so that you will be a blessing."*

To *"be a blessing"* is the true aim of a stewardship way of life. It is also an excellent way to live out the season of Lent. The sacrifices we take on, the spiritual disciplines we practice, the extra acts of service we perform during this season — all give glory to God and transform our lives into a blessing for others.

Lest we grow weary on this path, our Gospel passage today, from Matthew, offers us a powerful image of the great God we serve. It is the story of the Transfiguration of Jesus, when our Lord reveals Himself in His true glory and the Father says, *"This is my beloved Son, with whom I am well pleased; listen to him."* The apostles who witnessed this were awestruck. But our loving Savior reassured them saying, *"Rise, and do not be afraid."*

As we continue on our Lenten journey, let us take these two verses, *"Listen to him," "Rise, and do not be afraid"* to heart. Let us rely on God's strength to aid us in our spiritual disciplines as we move through Lent. We will arrive at Easter with deeper holiness, as a blessing to God and others — and as better stewards of all God's gifts to us.

From the Principal's Pen

Currently classes are studying -

- Kindergarten: covering friendship, creating a friendship tree to display in classrooms as a visual reminder.
- 1st Grade: family traditions/differences and started moral decision-making, discussing decisions and consequences; discuss the social skills of honesty and patience.
- 2nd Grade: identifying and appreciating unique differences and traits among classmates and identifying gender and physical stereotypes and how to break them.
- 3rd Grade: identifying and respecting individual reactions to the same situation and how to set individual goals; then moved on to stress management.
- 4th Grade: The Compassion Project continues - both classes participated in a lesson where they had to pantomime an emotion that was taped to another student's back and that student had to identify what emotion the first student was trying to express. This activity helped demonstrate how difficult it can be to truly tell what another person is feeling. We also discussed healthy vs. unhealthy coping strategies.
- 5th grade: identifying individual growth and recognizing personal strengths and limitations, both lessons sparking a discussion about respecting individual differences; limitations and a lesson discussing personal responsibility and setting SMART goals.
- 6th grade: TEAMS unit - completing lessons on time management and identifying individual values; completed a friendship lesson, creating their own recipes for a good friend.
- 7th grade: conflict resolution by practicing using the consensus model in groups; identifying ways to solve internal conflicts. Also, a lesson about family, identifying parenting traditions passed down from their parents.
- 8th grade: This month - two days on bullying; creating a "quilt" displayed outside the Counselor's office as a reminder of how to help someone who is being bullied. They then spent one day discussing positive communication skills.

Adult faith formation Lenten series: Conversion: Following the Call of Christ

This Lent you are invited to attend sessions every Thursday and explore the stories of six great biblical figures with Bishop Barron, who uses their stories as examples of how to grow closer to Christ. Please note we are offering a day and evening session on Thursdays during Lent (Same material for morning and evening sessions).

What makes one's life successful? Money? Power? Honor? Pleasure?

Most philosophies of the well-lived life are based on having something. But the Christian perspective is that it is better to be something. The goal of the Christian life is to grow in loving relationship to Christ, becoming more like Him through the immersion of our entire selves into His Church, Christ's Body. But our transformation in Christ will not occur until we recognize Him as our ultimate concern.
