May you find Christ here . . . May you bring Christ to the World.

Jesus said,  
“The kingdom of heaven  
may be likened to a  
man who sowed good

*Hello,*

In the calendar of the Church we are close to the middle of what is called Ordinary Time, the sixteenth out of thirty-four weeks actually. The word ordinary means that this isn't one of the special seasons of the liturgical year like Christmas or Easter, or even Advent or Lent. But it doesn't mean ordinary as just in regular, but rather as in numbered, that is week 1, week 2, .... I think it is hard for most of us to think of any time as ordinary this year, but we know we need some normalcy to our lives or most of us will stress out way too much.

In looking at what is this normal, or ordinary, hopefully we have also found significant ways that we include God and prayer into it. We still have the dispensation from going to Sunday Masses, and due to risk factors for some people it is best that they avoid the congregations at Sunday Masses. If that is us, have we established other good prayer practices such as on-line Masses to help. If we are attending Masses, has it become a natural reaction for us to put on our masks before we enter, and to leave our kneelers down at the end of Mass. Simple things like this are interesting in that they can become habits to the point that we know varying from them eventually just feels strange even if we not aware of it, we know something is off.

Actually the changes in practices for distributing the Holy Eucharist is becoming that way for me in a very good sense. While the new procedures are becoming standard, they are also reminding me of not only the virus precautions I wish to take to prevent the possible spread of any virus, (and hopefully can be realized some day) but also the proper respect for the Body of Christ that I am consuming and distributing (that I should not be relaxing.) These changes and new practices are hopefully providing a stronger sense of reverence in our now standard practices.

Not being able to shake hands or even smile at people in greetings have stretched many of us. Hopefully we realize it doesn't mean that we don't care to do these things, but that maybe we are a little more aware and conscientious of it with others in our daily practices. And these are not things we take for granted or just dismiss.

One thing that I know many families have had the opportunity to do more than usual over the past few months is having family meals. Hopefully this has been a very positive aspect for your families, and also a part of that is meal prayers. When people are eating alone, out in public, or with friends instead of family it can be easier not to say a meal prayer, so maybe this period has allowed us to strengthen that tradition in us so that we might be more inclined to also pray when in these other circumstances.

The 'new normal', or in this case I might say the 'new ordinary', is not just meant to get our lives back to a standard practice. But hopefully we have recognized in that practice the ways people, and God, are so important in all of our daily lives.

Peace and stay well,

*Fr. Nick*

## 150th Anniversary of Assumption of the Blessed Virgin Mary Parish

Anyone who drives down Main Street in O'Fallon, Missouri can see that the people of God at Assumption Parish have built something beautiful. However, as beautiful as our buildings are, the true beauty is not in the buildings, but in what they hold. They hold Love. For that is our commitment at Assumption: that – by how we live - ***Christ's love would be known in our every gathering.*** The real beauty comes from *you*, and it is right that we would celebrate!

On September 17, 1871 Assumption of the Blessed Virgin Mary became a PARISH! Next year, we will be celebrating our 150<sup>th</sup> Anniversary and we want to celebrate! If you feel called to share in the planning, organizing and coordinating of the festivities please call or email Bruce Prinster - 636-272-6389 or email - [bprins01@yahoo.com](mailto:bprins01@yahoo.com)

***Through the intercession of Mary, may all who ever come to this parish named in her honor, find her Son here, and then bring His love to the world.***

**July 19, 2020 – Sixteenth Sunday in Ordinary Time**

WIS 12:13, 16-19; PS 86:5-6, 9-10, 15-16; ROM 8:26-27; MT 13:24-43 OR 13:24-30

Today's Gospel passage from Matthew is filled with lessons both cautionary and consoling for the Christian steward as Jesus uses several parables to describe the kingdom of heaven and our role in it.

First, He compares it to a field where both wheat and weeds have been sown. Both weeds and wheat are permitted to grow and only at harvest time are they separated, or "judged" — the wheat gathered into the sower's barn and the weeds finally destroyed. So it will be for each of us at the end of our time on earth. It is a sobering reminder of the justice of God.

Next, He says the kingdom of heaven is like the small portion of yeast that is mixed in with flour for the making of bread. The yeast makes up an insignificant fraction of the ingredients, yet it is vital to the outcome — without that tiny bit of yeast, the bread simply will not rise. Similarly, He compares the kingdom of heaven to a mustard seed, "the smallest of all the seeds." But when it is full-grown it becomes the largest of all the plants, a sturdy and hardy bush where "birds of the sky come and dwell in its branches."

So often, the prayers we pray, the service we offer, the gifts we give — in comparison to the immense needs around us — can seem laughably small. But, as Jesus makes clear through the images of yeast and mustard seed, that is not the truth! God sees and "grows" our offerings of time, talent and treasure in ways we cannot begin to imagine.

In justice, in gratitude, in love, let us remain faithful to the mission entrusted to our care for the building of the kingdom of heaven.

LIFE TEEN: @assumption\_LT

@assumption\_life\_teen

Assumption Life Teen

2020 has certainly been a rollercoaster so far—many adaptations have been required of us since mid-March due to the spread of COVID-19. Unfortunately, one of the many adaptations we must now make is to amend our Luke 18 Retreat.

In reference to the alarmingly high number of cases in St. Charles county and primarily out of concern for the safety of our teens, core members, and 8th grade youth, we will hold a mini Luke 18 Retreat this Sunday from 3 – 9:45 p.m. The entirety of Luke 18 2020 will take place outside with physical distancing. We no longer feel comfortable hosting an entire weekend retreat on our campus. This decision was data based and made by Father Nick and Father Patrick.

There will be no Luke 18 events on Friday, July 17th or Saturday, July 18th. We are asking that students be dropped off between 2:30 p.m. – 3:00 p.m. on Sunday, July 19th outside the parish center. We will be spending our time on the soccer fields, under the concession stand and on the shady hill near the back of our campus.

While this is no doubt disappointing, we are confident that this retreat is in the Lord's hands and can still be an impactful opportunity for teens to encounter Christ.

Special guest speakers will share stories of real life experiences saved by the Coalition for Life St. Louis! Featured guest speaker:

Myra Neyer

Myra Neyer worked for Planned Parenthood in Baltimore. She began work there with the intent to help women.

As a single mother of 7 kids, she believed she could understand with sympathy the overwhelming pressures that could bring a woman to consider abortion. After witnessing an unforgettable procedure, she quit her job and sought healing and help through ATTWN. She is eager to share her story and speak about how the Lord has been ever present in her life through the trials she faced soon after quitting.
