Hello,

I think it is interesting that with the COVID-19 virus there have been some very high tech and some very low tech ways we have been dealing with it. Two such ways that have been very obvious in our school are the following: one, we use computers and other electronic means to stay in contact and communicate without risking infections; and two, we go outside and use open places with shade to have safer distances while allowing the breeze and fresh air to minimize risks of infections. Only ten years ago it would have been very difficult to have all of the electronic communications we do today (20 years ago it just wouldn't have happened). With the outdoor stuff we have had, even before we had caves, we are fortunate that the weather has been cooperating pretty well since school has started to allow us to take advantage of it (there is a reason we first used caves and eventually buildings).

Hopefully we have also been recognizing how some of these newer and more high tech ways help us to grow in our faith too. One of the most obvious is being able to livestream and record Mass to share with others while we can't gather in large groups. This has been particularly helpful with funerals. Some of the people who would normally come to a funeral are those who are most at risk from the virus. But it has also made us realize that even if we didn't have the virus, there may be many times when people are at a great distance or other physical limitations may have prevented them from attending, that we realize there are ways we can still share in these events with them. Hopefully we have also found a few more resources that are available online to learn about and share our faith. These resources can be used not just locally but just as easily around the whole world, helping us realize that we are a universal church.

An old means of our faith that we have also had the opportunity to share in, is quiet contemplation and prayer. We don't always have to be in contact with everyone, always be doing something or going somewhere. Sometimes it is good to just be alone and silent with God. We can get caught up in doing things too much at times, and sometimes we need the opportunity or even the limitations, so that all we can do is to be, and listen. Recognizing that we ultimately always rely upon God and being able to be comfortable and just quiet with Him.

Peace,

Fr. Nick

WE ARE CATHOLIC!

We Are Catholic! Are you tired of reading about the *Annual Catholic Appeal* (ACA) in the bulletin? They will stop once we reach our goal! Many parishioners, who have donated so far, have increased their contribution from last year. WOW!! Thank you!! This has resulted in an increase of over **\$33,000**. There are **2528** members of our parish who have not made a pledge so

far. Please help and make a pledge today. Our goal is **\$185,320** and we are **\$32,103** away from meeting that goal. Pledges can be made online by going to the ACA website aca.archstl.org. Our parish will be credited with your pledge if you include Assumption #344 in the comments section. Blank pledge forms are also available in the parish office and can be returned there or in the collection baskets at church. A new effort for 2020 by the ACA staff is phone calls. You may receive a phone call from a staff volunteer working for the ACA soliciting a pledge from you. Please treat them kindly and decide how you want to contribute to the many ministries of the Archdiocese by making your pledge. If you have any questions, please contact Jeannette Hamann at the parish office, Ext 247 or email – abvmjeannette@yahoo.com. To our 636 parishioners of Assumption Parish who have responded to the 2020 ACA, **we sincerely thank you.** Together, you have pledged **\$153,217**. Your support sustains ministries and services that help countless people of all faiths in situations of need and suffering. Our parish also receives many benefits from the Archdiocese and the ACA. Please continue the tradition and help the *Annual Catholic Appeal* by making your pledge today.

Do you know of someone who has expressed an interest in the Catholic church? How about inviting them to a Catholic adventure? What is a Catholic adventure you say? It is a gathering of individuals just like themselves to find out more about what Catholics believe. The adventure begins with exploring who Jesus is and gathering information along the way that will deepen their faith. Call Missy Lowrey, at (314) 630-3983 if interested.

A Word on Anointing of the Sick

Often times we receive calls asking for the Anointing of the Sick only to have the person pass away before the priests are able to get to them. While we do our best to be available, we are not always able to respond at a moment's notice. Especially with current restrictions for visiting hospitals and nursing homes, it may take us longer than usual to be approved to visit. If a loved one is suffering from a serious illness or old age, do not wait to ask for the Anointing of the Sick. A person does not have to be imminently dying to receive the sacrament. It is better for them to receive the grace of the sacrament earlier, rather than delaying grace.

SIR 27:30-28:7; PS 103:1-4, 9-12; ROM 14:7-9; MT 18:21-35

Today's readings call us to look inward to the state of our hearts, our thoughts and emotions.

Our first reading, from Sirach, addresses the complicated emotion of anger. *"Could anyone nourish anger against another and expect healing from the Lord?"* We have all been wounded by others at some point, some perhaps quite deeply. Our emotions are gifts from God. But we must steward them well, rather than allowing them to overcome us.

How do we do this? Sirach tells us. *"Remember your last days, set enmity aside... Remember the Most High's covenant and overlook faults."* We embrace the stewardship mindset — not brooding over hurts, but recalling all the gifts our good God has given us, all the love He continually pours out upon us, and we put our focus and trust in Him.

In our Gospel passage from Matthew, Jesus reminds us of the true position we have before Him in light of all that He has done for us, comparing the kingdom of heaven to a *"king who decided to settle accounts with his servants."* In the parable, a debtor is brought before the king, owing such an overwhelming debt that it could not possibly be repaid. Yet, the king is filled with compassion for the servant, forgives the debt and lets him go free.

Doesn't that sound like each of us in relation to the King of Kings? The Father has given us life, and then sent His only Son to die for us to free us from our sin "debts" and make eternal life with Him possible for us. It is impossible for us to repay this debt. All we can do is thank God by giving Him our whole selves — inside and out.

What joy and freedom we find in the stewardship way of life!

Update Membership Information for 2020/21 Member & Ministry Directory

Does our Parish database have YOUR family membership record correct?

Here is your chance to update YOUR record for our annual **Membership & Ministry Directory** (if you haven't already done so). It is time for us to update our database with any changes, additions, or deletions that may have occurred in YOUR family over the past year.

Have you changed your phone number? Do you still have a land line? Have you moved?

Are you preparing to move soon? Are all of your children still at home and are they all included in your membership record?

If you have not already informed the Parish Office about changes to your record, please let us know now so that the information in the **Membership & Ministry Directory** is correct. The Parish Office number is 636.240.3721. Or fill out the yellow card in the back of Church and drop it off at the parish office or in the collection basket.

2020/21 Member & Ministry Directory - Advertising Opportunity

We are in the process of updating our annual **Membership & Ministry Directory** for the church. This book will contain everything pertinent to our church: the various ministries, organizations, committees, activities, functions and events plus a complete directory of all members. This book is being provided and direct-mailed to each family at no cost to our church, and it is again being subsidized by local businesses that advertise. If you own or manage a business and would like to find out about advertising in our book, please call Jeannette at the Parish Office, 636-240-3721 ext. 247.

Recent survey results by **Membership & Ministry Directory** Publishing show that 92.1% of families would rather patronize a **Membership & Ministry Directory** advertiser over a non-advertiser. It "will pay" to advertise in our new **Membership & Ministry Directory**.

Please mark your calendars for the following Knights of Columbus September events at the K C Hall (202 W. 3rd Street, O'Fallon)
Every Tuesday: Queen of Hearts (Doors open at 5pm; Drawing at 7pm)
17th: Council Business Meeting (Zoom and Onsite)
27th: Collection Drive (9am-1pm)

Dear Fellow Parishioners,

It is with a sad heart that I must inform you that we have made the decision to postpone the Fall Festival for this year. Given the size of this event and due to the uncertainty with the Coronavirus outbreak, it is just unsafe at this time to go forward with the festival.

Our 2021 Fall Festival will be October 16th-17th. Please put this on your calendars now and plan on having a great time. We have already begun to plan for this event, and I assure you that it will be a great one.

Take care and God Bless,

The Fall Festival Committee

**SAVE THE DATE: Sunday, Sept. 20th:
Life Teen Kick Off: The Parking Lot is Lava**

All teens are invited to come and see what the Life Teen family is all about in a dynamic night featuring food, fun, and faith! Teens will compete in teams to complete the "The Parking Lot is Lava" Obstacle Course, enjoy a pizza dinner, form stronger relationships with other teens, and receive the 2020 limited edition Life Teen shirt! This is a fantastic night to get to know what we are about at Life Teen. Bring a friend or three! Parents, you are also invited to join us for this night—we'll provide dinner and your teens will provide the entertainment. Siblings are welcome to stay with parents during this night. Don't miss this incredible evening! We can't wait to see you there.

Due to COVID-19, our **Life Nights** look different than they normally would as our **highest priority** is the holiness and health of our teens. Here are the measures we are taking:

- All Life Nights are held in a socially distant manner in the outdoor classroom. Teens are invited to bring a lawn chair or blanket to sit on. Teens may only share a sitting space with a sibling or friend they have regularly been in contact with.
- In the event of rain, we will be in the Hall and spread out in a socially distant manner.
- All teens must wear a mask any time they are inside a building or if an activity requires movement.
- Hand sanitizer is always available.

Pre-Kindergarten 4 year Olds

We really never realize how many skills our "Littles" need to become our "Bigs". In my daily walk-through of our buildings, I see how our 4-year old students develop the skills that will be their companions through life: learning to work together, learning how to use scissors, learning to trace and draw, and learning to count with connecting blocks (a great way to learn adding and subtracting).

If you have 3 pink blocks and 3 blue blocks, how many do you have all together?

Using

will get

High School Selection for 8th Graders during COVID

For those of you knowledgeable of the process to select a Catholic High School, there are several "High School Nights" normally held between September and October. For Assumption families, our night is hosted at St. Dominic with other Catholic High Schools in classrooms to make presentations. It's a great way for students to become familiar with several schools, their mission, their curriculum, and their athletic programs. Then on the first Sunday of November, all Catholic High Schools offer and OPEN HOUSE for families to come and see their particular school.

This year, the process has changed. Parents and students may attend any of four (4) VIRTUAL High School Night Presentations. The dates are as follows: Thursday, September 24, Tuesday, September 29, Monday, October 5 and Wednesday, October 14. Each evening will allow prospective families an opportunity to view one or two presentations of their choice from 7:00 – 7:40pm and 7:50 – 8:30pm. Due to the Pandemic, **Open House** may approach delivery of on-campus programs differently. Each school will be providing information to principals which will be distributed upon receipt to 8th grade parents.

Please pray for our 8th graders as they move toward their educational future that they are given wisdom to find the school that best meets their needs.

Thanks for reading about our school!

150 ANNIVERSARY

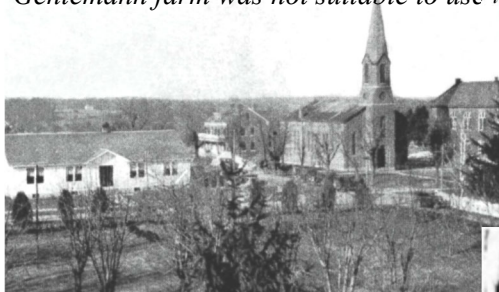

OF ASSUMPTION OF THE BLESSED VIRGIN MARY PARISH

It is a beautiful story of how the Holy Spirit has been at work... and even continues His work to this very day. And so the story continues....

While pastor at Assumption Parish, Father Sonnenschein persuaded the Sisters of the Most Precious Blood to take over the operation of the school. The Sisters of the Most Precious Blood taught and managed both the primary school and the high school for Assumption Parish for about 120 years.

The next 60 years saw a number of outreach endeavors, including a Catholic Newspaper and the beginning the first Catholic High School in St. Charles County. (Originally called Assumption High School, it has grown and is now St. Dominic High School). During this time the parish numbered more than 150 families. The time to collect money and develop the plans for the building of a new church fell to the leadership of Father Clement J. Moening.

Assumption's first church was torn down in September 1930. The laying of the new church's cornerstone took place on Sunday, Nov. 16, 1930. Archbishop John J. Glennon laid the cornerstone. Many parishioners helped in the construction of the new church, and farmers hauled the stone from Weldon Spring because the stone at the local quarry on the Gentemann farm was not suitable to use in the construction.
