Hello,

Today, as I am writing this, is our first day of Fall. I've been noticing the nights getting longer and Thursday, our nights start becoming longer than our days. Looking at the weather this week it looks like we are going to start seeing some more reasonable temperatures too, considering it is no longer summer. I've always liked the change of seasons and thought that it would be strange to live somewhere where the days got shorter or longer, but the temperature really wasn't changing that much. Certain things are meant for the different seasons and I think the weather and the daylight all work together to remind us of those seasons in the past.

I remember one Fall when I was young and my family drove up to Holy Hill. It is just a little bit northwest from Milwaukee, where we lived, and a beautiful place for seeing fall colors close by. From the name you might also guess it has something else too. On the top of the hill is Holy Hill National Shrine of Mary - Help of Christians. In 1863 the first shrine to Mary was built there and then a new shrine was constructed in 1879 that started attracting many people. The archbishop of Milwaukee decided that a religious order should administer the shrine and invited a group of Discalced Carmelites from Bavaria to do so in 1906. In 1926 they would build the third shrine to stand on that ground and the one that still stands there under their care today. In 2006 it was dedicated as a minor Basilica.

One of the main memories I have of that visit was that I picked up a few different fall leaves that we were supposed to bring to school that week for some project. I was probably in third or fourth grade and I don't remember if the leaves were for an art or science class, but I remember I got them at Holy Hill where we also saw this beautiful shrine on top of the hill. Even though it was a bit of a drive to get there, Holy Hill seemed the perfect place for this shrine on top of a hill covered with these beautiful trees in their fall colors.

As we go through a change of seasons, consider what memories it brings back for you. And also, what are some memories we might wish to make that can show us the glory of God around us.

Peace,

Fr. Nick

Hospitality

Stewardship Commitment Sunday!

Our Parish Prayer

Lord Jesus, You call us to follow You as disciples.

Help us to respond wholeheartedly without counting the cost.

We commit ourselves to being good stewards.

Help us to be grateful, accountable, generous, and willing to give back with humble hearts and make stewardship a way of life.

Through the intercession of Your mother Mary, grant us the grace to understand, and the courage to accept the challenges and opportunities we have been given to:

Find Christ here... and bring Christ to the world.

AMEN!

Today is Commitment Sunday!

Don't forget to turn in your Commitment Card!

We're in the midst of our annual Stewardship Renewal. If you haven't returned your Commitment Card, you still can mail it to the parish or drop it by the parish office. Returning your card is an important part of being an active member of Assumption of the Blessed Virgin Mary Parish.

Please take this opportunity to express your support for our parish with your time, talent, and treasure! THANK YOU...to many of you who have turned in your Commitment Cards.

Hospitality Sunday NEXT Weekend!

Join us for Hospitality Sunday, next Sunday, October 6th, after all Masses, in Halls A/B from 7:30am - 1:30pm. Stop by after any Mass and visit with fellow parishioners and enjoy donuts, bagels, juice, milk and coffee! We welcome all parishioners and guests to visit in friendship and fellowship encouraging them to find Christ here and to bring Christ to the world.

Hospitality Sunday is a wonderful way for fellowship each month!

Thank you to everyone who generously donates every month to our donuts! We are grateful to be able to gather each month in this way and to be able to share fellowship! It costs the parish over \$800 each month to for us to gather in this way. If you are able, please do be generous when you pass the donation box on the donuts table!

Thank you so very much!

CEMETERY CLEAN UP

Assumption Cemetery Clean Up Day!

The October Cemetery Cleanup is scheduled for Saturday, October 5 at 10 am, weather permitting. We will be removing trash, broken and weathered items. If you have any questions, please call or text Angie Bauman at 636-578-2185. Thank you!

New Member Registration NEXT WEEKEND - Oct 6th!

We apologize for the way the packets were addressed when they were mailed out to you. There was a glitch by the Printing Company, and therefore the packets went out with only one name on the mailing envelope. Please know that each of you matter and it was an honest mistake. You will notice that our Parish Newsletter also came addressed to only one member in the household. For those of you who were affected by this mistake, please accept our sincerest apologies.

The Knights of Columbus Hall is OPEN!

****The Recycling Dumpster** on the large parking lot will soon disappear. When recyclers stopped accepting newspapers, our volume dropped. In addition, almost every recycling load has been contaminated with items like mattresses, TV's, lumber and furniture. Those cause the entire load to go to the trash. As a result, we will eliminate the recycling dumpster.

The Month of October is... RESPECT LIFE MONTH

October is Respect Life Month, during which Catholics in the Archdiocese of St. Louis and around the nation come together to serve as witness to the dignity of every human life.

Parishes will kick off the month by marking Respect Life Sunday at Masses the weekend of Oct. 5 and 6. While the month of October is typically filled with events that promote the sacredness of human life, including the archdiocese's annual Respect Life Convention, it's also a reminder of the importance of promoting life issues as a way of life, throughout the year.

Karen Nolkemper, executive director of the archdiocesan Respect Life Apostolate, noted that the collaborative effort of the pro-life movement must continue forward, especially as momentum toward a Supreme Court nomination grows.

"Sometimes the evil one wants to say one person's role in this pro-life movement is more valuable than another, and that's a way the enemy brings about division," she said. "We have done a good job of uniting other pro-life agencies, but we want to go beyond and reach out to other pro-life folks with in other faith backgrounds. Each organization has a very valuable role to play. It's like an orchestra, where we need all of the instruments to play that beautiful music. We need all of the players to end abortion in our lifetime."

The Respect Life Apostolate promotes four pillars in promoting a culture of life, with the end goal of making abortion unthinkable. The pillars are Spiritual, Pastoral Care, Education and Public Policy.

- Ephesians 4:15-16

Dear Friends in Christ,

On Sunday, October 6, 2019, there will be a special collection for the formation of permanent deacons in the Archdiocese of St. Louis. This collection relieves some of their financial burden for studies to become a deacon. Since 1977, 465 men have been ordained as permanent deacons in the Archdiocese. There are 189 active deacons ordained for the Archdiocese and 102 retired deacons. There are 67 men in formation at this time.

When the permanent diaconate program was initiated in the Archdiocese in January 1977, men went through a two-year formation program, with a third year of post-ordination formation. Since then, the program has gradually expanded to five years of formation, plus three more years of post-ordination formation.

Deacons serve in parishes, hospitals, archdiocesan agencies, and other organizations. There are six deacons who serve as Parish Life Coordinators. Half of the active deacons continue to work full-time jobs, requiring them to balance family lives and professions with their ministry as a deacon.

During formation and after ordination, deacons offer their time, personal gifts and material goods to build up the Church in the Archdiocese without compensation. Their service extends into many areas of parish life, as they assist all of us in carrying out the mission of the Church.

Please support the formation of permanent deacons by promoting the special collection for the Formation of Permanent Deacons on Sunday, October 6, 2019.

Sincerely yours in Christ,

Most Reverend Robert J. Carlson
Archbishop of St. Louis

We all have been given great power by God in the form of Time, Talents, and Treasure. Today's readings remind us that this power is meant to be used for great good. And, the failure to do so has eternal consequences.

We see the urgency for us to put our powers to good use in today's Gospel passage from Luke. Our Lord tells the rather chilling parable of the rich man who ignored poor Lazarus during their lifetimes. At the moment of the rich man's death, he goes down to the netherworld while Lazarus is taken to the eternal joy and comfort in the bosom of Abraham. The rich man keenly regrets his indifference towards the needs of Lazarus, but it is too late for regret. His choices have played out, and now the rich man will face the consequences of his failure to use the gifts God gave him.

Pursuit of God's kingdom and care for the poor are not trifling matters. Our Lord makes this clear to us over and over in the Scriptures and the constant teachings of our 2,000 year-old Church. We are free to ignore these teachings and live instead for ourselves. But there will be tragic results for us in the end. And, because we are made for eternity, living selfishly on this earth doesn't really bring us true happiness anyway.

So how can we use our great powers for great good? By embracing a stewardship way of life. By putting God first in all areas of our lives — in the way we spend our time, the ways we share our talents, the ways we give of our financial resources. Stewardship living calls us out of our comfort zone and into commitment to the Lord and the things that matter to Him.
