Hello,

With our 150th anniversary I had been looking back in 1871, the year our parish was founded, I was surprised to find something that we continue to struggle with and has been getting a lot of news this last summer, fires. The “most devastating fire” in US history occurred on October 8th of 1871. Now there was another fire that got a little more attention, the Great Chicago Fire where 300 died and 100,000 were left homeless as a fire spread through 3.5 square miles of the city. Another fire in Peshtigo, Wisconsin, that happened that same night, is estimated to have killed over 1,500 people and burned over a million acres. Yet amidst this tragedy there was one small place with 5 acres of land, that was left unharmed. That was at the Shrine of Our Lady of Good Help in Champion, Wisconsin.

If you ever go to this area of Wisconsin most people making a pilgrimage are not headed to Champion, WI, but rather to the nearby city of Green Bay and Lambeau Field. Before the Packers and even a few years before the fire, in October of 1859 the Blessed Virgin Mary appeared three times there to Adele Brise. She was told by Mary to pray for the conversion of sinners and to gather the children and teach them what they should know for salvation. By the time of the fire in 1871 a chapel, a convent, and a school had been built there and would be the only buildings left standing in the area after the fire.

After the apparition, Adele Brise and a few other women had become Third Order Franciscans and had traveled through the area giving religious instruction to children and then establishing a school. This is the only approved apparition of Mary in the United States and was officially recognized by Bishop Ricken of Green Bay, WI in 2010. The Bishop stated that one reason the apparition probably did not have as much notoriety as it could have, is that instead of trying to call attention to herself or the apparition, Sr. Adele had focused on humbly living out her life in accord with the instructions Mary had given her.

As we begin the Marian month of October this may be a good opportunity to follow the example of Mary, and the example of Sr. Adele, in listening for and following God's call in our lives.

Peace,

Fr. Nick

Assumption Sound Ministry

Our sound ministry is looking for volunteers to help our talented musicians sound more amazing (if that is even possible!) during Mass and other occasions by running the sound board. Complete training is given and you will not be left alone until you feel confident!

Mission Statement: God's message of love is meant for all people, so we serve at the soundboard in church to help make sure that message is heard in spoken word, in song, and in silence. **Duties & Skills:** A desire to learn the sound mixing board during week-end Masses and, if available, also for funerals, weddings, and other special events. This ministry requires aptitude and willingness to learn how to work the sound, lights, DVD, and PowerPoints used at Mass. Also required is a good ear for music. If that is a gift that you would like to share with your parish community, please contact Steve Hartnett at: Steve Hartnett, 636-978-0069; assumptionsound@gmail.com

3-8 Robotics Programs Abundant at Assumption

Making Robots with a purpose is commonplace at Assumption. With students from grades 3 through 8 and the adult moderators that sponsor these robotics teams, we truly have an outstanding Robotics Program.

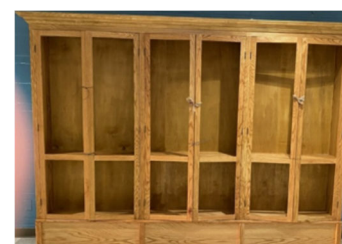

Older students in the past have had to design and program a robot that would pick up various items and stack them to build a tower in a prescribed amount of time. Then return them to the docking station by the time the bell rings. This is not an easy task, when you are in a competition with 3 other robots in the same space attempting to accomplish the same task – each team directing their robots with programming directions. We have several teams this year and will be providing more information in upcoming bulletins.

ABVM Mascot and New Trophy Case

This past summer our gym floor was completely re-waxed after our mascot was affixed to the floor. In addition, new entry rugs with the mascot

were designed and are in front of the entrance to the gym (hall entrance) and near the inside concession stand. Fr. Nick, our pastor, whose carpentry skills are amazing, built our new trophy case. The case is now in the hall, and awaiting the final touches, before we add trophies.

The next phase is partially re-painting the gymnasium to go with the sports teams' colors of gold and black. Paint colors are being selected, and within the next month the lower half of the gym will be painted. In this improvement mode, the stage drapes will also be repaired to handle properly. Bleachers are being moved back into the gymnasium for spectators for the volleyball season. Go Crusaders!

Update on STEaM Lab for PreK through 2nd Graders

The items purchased through the \$331,000 grant to improve learning, are arriving and the new STEaM Lab is beginning to take shape. Located in what was the Toddler Montessori classroom, the STEaM Lab will provide opportunities in science, technology, engineering, art and mathematics.

The instruction for students will encourage active (often hands-on) experiences that support building understanding and vocabulary, critical thinking, problem solving, communication, and reflection. Teachers facilitate the experiences by creating opportunities for their students to learn about the world through STEaM lenses and by asking high-quality, open-ended questions.

STEaM integration helps teachers focus on content (what to learn) and processes (how to learn). For example, a teacher could engage children in recording the weather each day on a chart and creating weekly summaries (three sunny days, two cloudy days) to support their learning of science and math content and also data gathering and analysis processes. As students dive into integrated activities, they'll see that the STEaM concepts are seen throughout the world. Students will also see that learning can come in many forms: asking questions, making connections with prior knowledge, gathering and analyzing data (including observations), and communicating findings and ideas.

Hope you enjoyed reading about Assumption and our students!

God Bless,
Pat Hensley

LIFE TEEN

Happy Fall Semester! We hope that the beginning of this school year has been blessed and going well so far. We are fully back in action and excited for an incredible semester of fun, faith and community with Life Teen, especially with our new EDGE Middle School Youth Ministry!

Life Teen International chooses a theme annually to guide our ministry efforts for the year, both for EDGE & Life Teen. This year's theme is "New Fire" – all about the transformative presence of the Holy Spirit. When we live lives that are filled with meaning, care for others, and dependency on the Lord, we give the Holy Spirit permission to do what only the Holy Spirit can do. The New Fire of the Holy Spirit that fell at Pentecost on the Apostles falls fresh on us today, as we discover how to answer God's call in our own unique time in history. Come, Holy Spirit!

Our readings this week speak to each of our domestic churches —
 the little churches that we call our families.

The First Reading from the book of Genesis takes us to the beginning
 of creation when God made man and woman. When Adam sees the

woman he says, "***This one, at last, is bone of my bones and flesh of my flesh; this one shall be called 'woman.'***"

We can almost hear the longing, gratitude, and appreciation in Adam's voice when he meets Eve as he says, "at last." She was a gift because she was an equal partner to him.

This was before the fall of man, meaning sin had not entered the world. Adam and Eve only viewed each other in total acceptance and love.

Our Gospel brings us to life after sin had entered the world — a time that is familiar to us. As the Pharisees questioned Jesus about divorce, He expressed that Moses permitted it because of the hardness of man's heart. However, Jesus was calling them to deeper holiness. He was calling them to restore the original plan God had intended for marriage, "***A man shall leave his father and mother and be joined to his wife, and the two shall become one flesh.***"

Jesus' words still apply to us here and now in each of our domestic churches. It is the task of families to tirelessly work to restore God's original plan for marriage and family life — homes filled with gratitude, acceptance, and love.

It takes a daily commitment to live out our call to holiness to restore our families to this beautiful image.
