Hello,

Blue Mass, Red Mass, White Mass. I don't know if you have heard of these or not but they are Masses that are celebrated for people who work in particular professions. The Blue Mass is a Mass for all public safety officials and first responders. The Red Mass is a Mass celebrated annually for all members of the legal profession. The White Mass for health care professionals and all who serve the sick.

I will start by addressing the Red Mass, as it is the oldest. The first official record of a Red Mass was in 1245 in Paris. The Mass noted the opening of the court term. It is known to be referred to as the "Red" Mass beginning in the early 1300's in England due to the judges wearing red robes, and also the priest would wear red vestments for the Holy Spirit, who's gifts are particularly desired in the work that the judges, lawyers, law school professors, law students, and government officials would perform in the new judicial year. In the United States a Red Mass is celebrated in the cathedral of many dioceses the first week of October at the beginning of our Supreme Court's fall term. The Red Mass celebrated at St. Matthew's Cathedral in Washington D.C. has particular relevance as many of the Supreme Court justices, both Catholic and non-Catholic, will attend.

The history of the Blue Mass goes back to Sept. 29, 1934 at St. Patrick's Catholic Church in Washington D.C.. It was celebrated in coordination with the Catholic Police and Fireman's Society to honor their members who had died. This practice spread throughout the country and has especially become a common practice after 9/11, recognizing the heroism of all the different types of first responders who died for others on that day and who continue to serve us today.

The beginning of the practice of a White Mass is not as clear. In the United States it is known to have been celebrated beginning in the 1930's with the development of the Catholic Medical Association. The Mass is referred to as "White" in reference to the color of garment that physicians and medical personnel normally wore. It is normally celebrated around the Feast of St. Luke, October 18th, who was a physician and is the patron saint of physicians and those in medical professions.

Hopefully the celebration of these Masses helps all of us to recognize and appreciate the service of people in different professions and to be grateful for what they do. But also, these Masses help to remind us of how we are all called to live out our professions in service of God and one another, and to be open to God's blessing and guidance in all parts of our lives, including our occupation.

Peace, Fr. Nick

Funeral Meals

Be a Part of a Legacy of Love – Feeding the Brokenhearted

Enduring for decades, whenever our facilities allow, Assumption provides a simple meal to families after the funeral of a loved one. Our After Funeral Lunch ministry is Christ's love in action, a meal of hope for those whose hearts are crushed by grief.

We are in URGENT need of adding food volunteers to our lunch teams willing to make a side dish or dessert and bring it to the parish center on the day of the funeral.

What do I do? When you get a call from a team captain, make a side dish or dessert and deliver to the Parish Center on the day of funeral, usually by 10:30am

How do I know what to make? Your team captain will tell you what side dish/dessert is needed

How often do I do this? Assumption has 4-6 funerals a month. When our teams are at full capacity, you can expect to be called once or twice a month

How long is my commitment? We encourage new volunteers to try the ministry for at least a year. If you want to be called on more often, we can put you on multiple luncheon teams

What skills are needed for this ministry? Compassion for the brokenhearted, ability to make a simple side dish/dessert, and the ability to deliver that dish on the day of funeral

What if I'm not comfortable being at funerals or with people who are grieving? This is a behind-the-scenes ministry. You will not have to interact with bereaved families.

If you're looking for a tasty way to bring Christ to the world, then please contact our Funeral Luncheon Coordinator, Mary Peters, mcpenny@hotmail.com, 636-379-3242

The Month of October is... RESPECT LIFE MONTH!!

October is Respect Life Month, during which Catholics in the Archdiocese of St. Louis and around the nation come together to serve as witness to the dignity of every human life.

"Sometimes the evil one wants to say one person's role in this pro-life movement is more valuable than another, and that's a way the enemy brings about division," she said. "We have done a good job of uniting other pro-life agencies, but we want to go beyond and reach out to other pro-life folks within other faith backgrounds. Each organization has a very valuable role to play. It's like an orchestra, where we need all of the instruments to play that beautiful music. We need all of the players to end abortion in our lifetime."

The Archdiocese of St. Louis offers support for all of those looking for hope and healing at archstl.org/hope-healing or calling the Respect Life Apostolate of the Archdiocese of St. Louis at (314) 792-7555. The clergy of the Archdiocese of St. Louis remains committed to providing pastoral care to all those who need guidance.

Do you want to journey to the Hawaiian Islands? If you're an Assumption girl parishioner in grades K-4th, join us for an afternoon Luau adventure. Chloe Hammond and Savannah Lamb, Assumption parishioners and St. Dominic Sophomores, are heading up this **Girl Empowerment** event. The girls will follow **Moana** on her journey as she learns to face her fears, listen to her heart, and learn that being different is ok.

The event will be held on **Saturday, October 26th, from 6-8:30pm**, in Hall C of the Parish Center. Doors open at 5:30pm. Along with watching the Disney movie Moana, we will also have a photo booth and refreshments/snacks. At the end of the event one lucky girl will get to take home the movie. The cost is \$6 per girl and all proceeds will go to **Sharing Smiles**, a non-profit organization started in 2008 by Lindsey Peters when she was just 9 years old. Sharing Smiles makes teddy bears for hospitalized children and has been going strong for more than 10 years!

Please register by **October 20th**, by filling out the form below with a check made payable to Shannon Lamb (Luau Journey in memo section) and mail it to the address below. You will receive an email confirmation once registration information is received.

Gratitude is the key to a stewardship way of life. Today's readings demonstrate the power and vital importance of gratitude in the life of the Christian disciple, for gratitude leads us to worship God, who offers us salvation.

We see the power of gratitude on display in the Gospel passage from Luke after Jesus heals 10 lepers. *"And one of them, realizing he had been healed, returned."* Only one of the 10 recognized the tremendous blessing he had received from Jesus, and he returned to thank Him. While it's easy to feel indignant at the failure of the nine others to return and thank Jesus, how often do we fail to recognize the blessings, answered prayers, and healings (both physical and spiritual), that the Lord showers upon us day and night?

The truth is that our very lives and every breath we take are His gift to us. But we can get so caught up in the stresses and distractions of daily life that we lose touch with this truth.

The Samaritan reacts to his gift of healing with the proper response to our loving God. Recognizing what he had just received from the Lord, he "returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked Him." He was grateful for what God had done for him and this gratitude led to worship.

And because of this response, Jesus offered him a far more precious gift than physical healing; He offered him the gift of salvation. *"Stand up and go; your faith has saved you."*

Too often we hear the phrase, *"Count your blessings,"* and write it off as nothing more than a trite saying. Today's Gospel shows us otherwise. Gratitude is powerful. It deepens our faith in God and leads us to fitting worship of Him.
