Hello,

The Gospel readings at this time of year often relate to how we view death. Last week we heard the Sadducees, 'those who deny that there is a resurrection', asking whose wife a woman would be if she is a widow of one brother, and then the next brother marries her and he dies, and so forth through seven brothers, at the resurrection who's widow would she be? This week we hear Jesus telling people that the temple will be thrown down, this incredible place of worship that is to last for generations, so what does that mean? I think it is good to consider some of these questions they had, and that we might have at times, related to the future, our eventual death, and what we value, what we believe, and how that affects our actions.

When they talked about the temple coming down, I had to think a bit about All Things New and the mergers we will be having of many parishes. It is great that we have a strong connection to our parish community and the history we might have with our parish church building, but as the Jewish people faced when the Temple came down, would this be the end of their faith? It makes sense that we desire to preserve beautiful places that we may have a history with where we have come to worship together. This a great sign for the community of our faith that we wish to maintain and preserve for our future use and for the generations to come. But why do we want this? Like the Sadducees we could be focused on the future generations as the way that we live on, that we wish them to be able to have these things we did and to remember us in some way in this structure, in our practices of faith. This isn't bad, but it is limited and can have us putting too much emphasis on our living on through physical things, or in reflections of us instead of God.

Hopefully we look at our death, and our faith, and live it out a little different. This physical life and death is a part of who we are, but only a part. We were created and meant for an eternal life, that we pray continues past our physical death and leads to an eternity with God in heaven. The reason we hope for the generations to come to share in our faith and to have this place of worship, should not be about us, but rather about them, and about God. As we desire to spend our eternal lives in heaven with God after living as faithfully as we can here on earth, we desire for the generations after us to do the same. I've known many parents and grandparents who are concerned as they get older not about whether their children will remember them well or not, but rather if their children will have faith, a relationship with God. Hoping they are living out their lives and also raising their children with that faith and love. This is an appropriate way to show and live our faith in our lives.

It is good to have people, experiences, and even places that help us grow and live out our faith. But we need to be aware if instead of helping our faith, they are replacing it. The Church is not a building, but the living body of Christ. As we go through this month of November and are reminded of our mortal death, may we be even more conscious of our immortal life, which God wishes to share with us all.

Peace,

Fr. Nick

“...living the truth in love, we should grow in every way into Him...from whom the whole body, held and joined together by every supporting ligament brings about the body's growth and builds itself in love.”

Bob and Sister Theresa explaining the 2 greatest commandments

Liturgy of the Word is not just someone standing up and reading. No, it goes much deeper. In short, the Liturgy of the Word is what adequately prepares our hearts, minds and souls to receive the body, blood, soul and divinity of Christ in the Eucharist. As we turn our focus to the lectern of the church and hear the Word of God proclaimed through his people, we have an opportunity to perk up and lend our ears to listen to what the Lord has to say to each of us.

The Word of God, then calls for our listening and our response in silent reflection, as well as in word and song. Most important of all, the Word of God, which is living and active, calls each of us individually and all of us together for a response that moves beyond the liturgy itself and affects our daily lives, leading us to engage fully in the task of making Christ known to the world by all that we do and say. USCCB.org

What happens when the RCIA group are dismissed after the homily? We have heard the Liturgy of the Word and now will examine how the readings impact us. This is called “breaking open the word”. What happens in this discussion? Small groups gather and discuss their first impressions. We invite you to break open the word with us each Sunday.

HOW DOES THE TEXT INFLUENCE YOU ?

- What word or phrase grabbed you?
- What feelings did you notice?
- What questions do you have?
- What were you delighted at?
- What were you uncomfortable with?

Assumption Blood Drive – Next Sunday!

ImpactLife will be in the parish hall on **Sunday, November 20, 9:00am – 1:30pm**, and we look forward to welcoming you there! If you have not donated blood since September 25, you are eligible to donate at this drive. **Donations must be by appointment only to accommodate social distancing.**

To schedule go to https://login.bloodcenter.org/donor/schedules/drive_schedule/114347, scan the QR Code below or call ImpactLife at 866-448-3253 for assistance in scheduling. Parish coordinator, Mary Anne Robinson, can also be reached at 636-541-2823 to assist with scheduling. For information about COVID-19 protocols relating to blood donations please visit www.bloodcenter.org.

BLOOD DONOR REMINDERS: Picture ID is required. Get 8 hours of sleep and eat a hearty (eggs, meat, leafy greens, fruit) evening and morning meal. To help stabilize your blood pressure, drink lots of water (and minimize caffeine). Your body will lose about two cups of fluid during donation, so being fully hydrated is important. ImpactLife has changed their policy of requiring masks. Masks are now optional. ImpactLife's EARLYQ system is available on the website for donors who would like to complete their Donor History Questionnaire prior to their appointment.

Prayer

"For thus says the Lord: When you call Me, and come and pray to Me, I will listen to you. When you look for Me, you will find Me. Yes, when you seek Me with all your heart, I will let you find Me..."

THANKSGIVING DAY 2022~

Let's begin by celebrating Thanksgiving together! **Join us on Thursday, November 24**, and we will once again have a special Eucharistic celebration at **9:00am**. It is special in several ways. First, let this day be a reminder that "Eucharist" means "thanksgiving". Taking part in the Eucharist on Thanksgiving Day is a beautiful way to begin celebrating this holiday--we hope that you will join us.

We also invite you to bring gifts for the poor. These can be money or the usual items you bring for the St. Vincent de Paul Society. On this day, please **DO NOT** leave them at the St. Vincent de Paul Society Depository but bring them to your pews. At the time of the Presentation of the Gifts, you will be asked to bring your own gifts forward to bins that will be provided as a sign for us to see. The St. Vincent DePaul Society & Ushers/Greeters will be there to assist you.

Finally, you are invited to also bring something that you will be using at your own Thanksgiving Dinner or taking to someone else's. Let it be anything--cooked or uncooked, that you can handle easily. Again, bring this to your pew with you. During the Intercessions, you will be asked to hold up these items to be blessed. After Mass take them home with you to be used for your meal. We hope that this will help to make a connection between the Lord's Table and your own feasting table. In this way you are bringing God's blessing to your own table and might even use this item to focus your meal prayer that day.

We do hope that you will join us as one family at Assumption of the Blessed Virgin Mary Parish to give **Thanks to God for all that He has done for us!** **Please Note:** There will not be a 6:30am or 8:00am Mass on Thanksgiving Day.

Support our Parish on Giving Tuesday!

November 29 is Giving Tuesday, a day to take a break from online shopping and consider online giving to charities and other nonprofit organizations. Our parish is again teaming with other Catholic causes on Giving Tuesday in a program called **#iGiveCatholic**.

Our focus for this year's **#iGiveCatholic** appeal at Assumption is the future of our church. How do we keep the Catholic Church alive in O'Fallon for the next 150 years?

The health and safety of our parishioners, visitors, students, teacher and staff are of paramount importance to us. On any given school day, we need to provide a safe and secure environment for 400+ children, as well as 30+ teachers and staff.

Your gift through **#iGiveCatholic** will be used to help financial assistance to provide a safer environment and we have identified several potential enhancements to our campus. These include:

1. Electric door locks controlled by key fobs or badges
2. Security cameras in parking lots and other areas
3. Privacy film on windows in the hallways, so that outsiders cannot see into the building
4. Modifications to restrooms to promote safety while preserving privacy
5. Additional lighting in the parking lots and walkways

Thank you for your consideration and support!

You don't need to wait until Giving Tuesday. Just go to www.stl.igivecatholic.org and search for Assumption of the Blessed Virgin Mary Parish. Thank you and God bless you!

November 13, 2022 — Thirty-third Sunday in Ordinary Time

MAL 3:19-20A; PS 98:5-9; 2 THES 3:7-12; LK 21:5-19

As we approach the end of the liturgical year, our readings offer a sober reminder that this life is not our aim and that God's justice will triumph in the end. Now is the time to get our priorities in order, putting God above all else as his faithful stewards.

Our Lord brings home the urgency of right priorities in our Gospel passage from Luke, reminding the people around him who were looking at the temple nearby, ***"All that you see here—the days will come when there will not be left a stone upon another stone that will not be thrown down."*** Our Lord reminds us that all in this world is passing. We must keep our focus on eternity.

Yet before the eternal bliss of heaven, we should expect to be tried and tested. ***"Before all this happens, however, they will seize and persecute you, they will hand you over to the synagogues and to prisons and they will have you led before kings and governors because of my name."***

Sounds scary.

But if you are living a stewardship way of life, there is nothing to fear. You have a plan in place. All you need to do is stick with it. Put our Lord first in your time, with your talents, and through your use of treasure. This way of life is not easy. But Jesus promises it will lead to eternal salvation and the joy of union with Him. ***"You will be hated by all because of my name, but not a hair on your head will be destroyed. By your perseverance, you will secure your lives."***

Onward Christian stewards, the struggle is worth the joy that awaits!

**Neon Science in Middle School**

Have you ever wondered what makes things glow in the dark? With so many cool items that glow, from stars on your ceiling to glow sticks at a concert, you might be surprised to know that there's some real science behind it. Each item you own that glows uses a special process that helps to create its awesome glowing effect. You've probably had some fun with glow sticks at Halloween or worn a wristband during an event that helped to light up the night. This amazing glow is due to a scientific process called luminescence. Even some animals have these properties and glow in the dark.

**What Makes Things Glow?**

Under the direction of Mrs. Schenk, Middle School Science teacher, a pre-Halloween exercise was understanding what happens when "neon" shirts light up. All Middle School students wore shirts, socks, or other items known as "glow-in-the-dark" to school on

Wednesday, October 26th.

Students learned that luminescence is what causes items to glow brightly when it's dark. Unlike charcoal, wood, or paper, which can all give off light when they burn hot, things that use luminescent emit light without needing heat. When you have something like a toy that glows in the dark, it can glow because it contains materials called phosphors. Phosphors can radiate light after they have gotten energy from the sun or another source of bright light. The phosphors soak up the energy from the light, and then they radiate this energy as light.

Glow in the dark clothing has phosphor that radiates visible light after being energized or charged from a light source. They are made from threads dyed with photo luminescent materials. This allows the vinyl to radiate visible light when charged or exposed to a light source or energy.

One of the coolest forms of luminescence is called bioluminescence, which refers to living things that glow in the dark. These creatures have an internal process that causes a chemical reaction and creates a bright light. Some examples of animals that use bioluminescence include fireflies, some species of deep-sea fish, jellyfish, certain algae, and even a few species of plants like mushrooms.

Our students are pictured here, doing their luminescence experiments!

Thanks for reading about our school!
