Hello,

We are at the fourth and last week of advent and the fourth candle stands for LOVE. Last week I said that the 'joy' (rejoice) of the third week was a natural extension of the 'hope' and 'preparation' of the first and second week, but only with the added firmness of our expectation and trust in God. Love, as defined by many, is integrally related to joy and yet has an added characteristic. Joy is an expression and emotion that is mostly focused on or describing oneself, whereas love, while still existing in oneself, inherently has an object and is focused on something or someone else. In this respect we probably shouldn't consider that we progress from hope, to preparation, to joy, to love; but rather that after being caught up in the joy of near anticipation we are now more focused on the love, and our concern and focus is more outward centered. Ideally this means that this week we are now ready to experience and receive the focus of our love, the gift of Christmas, Christ.

So why did we have to go through all of the preparation of Advent, why do we have to prepare to receive Christ if He is a gift that will be given whether we have prepared or not? Because the preparation has made us more open to receive the gift and all that He truly is. Why do we prepare our homes for Christmas and to receive Christmas guests? So we will be more open and ready, to celebrate with them and enjoy their company, and to be open to the blessing of their presence. The tables and chairs are set up for the numbers that are to come. The decorations are ones that remind us of Christmas's in the past, and set traditions and make memories for those to come. Our preparations and celebrations with one another hopefully does not distract us from preparing for Christ but rather compliments our preparation and celebration with Christ. If it feels like we have gone through this Advent season so far and we really just got caught up in our pre-Christmas planning and business I would ask you to at least take some quiet time in these last few days, to pause and reflect on the incredible gift Christ is for us and how you are ready to receive him.

As we look forward to celebrate the birthday of Christ, we realize what an incredible expression of God's love for us this was. We can also likely recall many other expressions of love that we remember from God, and from others, over the many Christmas's in our past. May this stir us to experience what God truly wishes for each of us, that we experience what it is to love God and all others this Christmas.

Peace,

Fr. Nick

"...living the truth in love, we should grow in every way into Him...from whom the whole body, held and joined together by every supporting ligament brings about the body's growth and builds itself in love."

Our Annual Stewardship Renewal is still in process!

If you haven't had a chance to fill out your Commitment Card, you can do so online! Visit assumptionbvm.org and once on our HOME page, click on the Stewardship Annual Renewal box and follow the directions! How can I fill my Stewardship Commitment Card? Please pray through these areas and consider making commitments:

1. In the category of **Time**, you can make commitments to spend more time with God in prayer.

Prayer is the most important part of being a good steward, because when our relationship with God is strong, we are much better able to use our gifts and resources to help our parish and The Church.

2. In the category of **Talent**, you can either re-commit yourself to your current ministry/s, or sign up for new ones. Our goal is for each of us to use our gifts and skills in service for others.

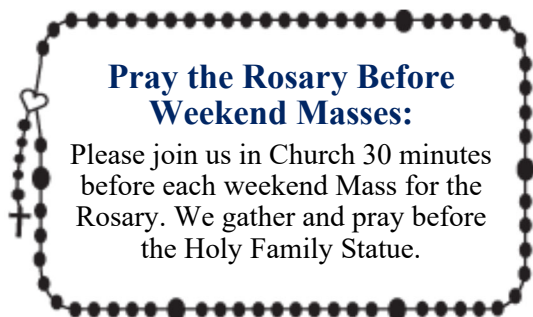

3. In the category of **Treasure**, we are asking everyone to commit to giving a specific percentage of their income to the offertory each week or month for the next year. We are asking everyone to commit to giving half of their tithe - 5% of income—to the parish. If this is something new to you, pray with your family about what you can do.

 "Our strength comes from the Eucharist"

An Advent Prayer – Week Four - Peace

Father in heaven, help us to remember that all our gifts come from you.

When we think we are in charge, remind us that we are your people and that you are our God. And let us have no gods — not wealth, not power, not fame, not material things — before you.

God above, as you found favor in the Virgin Mary, help us live so that you find favor in our lives. Help us to be holy.

Help us, Lord, to follow Mary's example of faith and trust. Along with Mary, help us, too, to say: "Yes, God, I am yours. Do with me as you want. Make me your hands on earth."

Holy Spirit, inspire us to live every day as if Christmas were just a week away.

Assumption Campers

Each year, Assumption sends campers to the YMCA Camp Lakewood to experience education in the out-of-doors. With the pandemic going strong last spring, our then 6th graders were unable to attend, so to make up for lost time, that same group – now 7th graders- have arrived at camp. The classroom is a great avenue for learning, but stepping into the natural classroom with Outdoor Education supplements traditional education in a real and unique way. Students are introduced to learning aquatic ecology, geology, team building and creating that perfect atmosphere for prayer, friendship, and camaraderie.

When the group arrives, they begin with orientation and organizing their cabins. Several parents and two faculty members chaperone the group, but the Camp Leaders run the program and their associated activities such as Wall-Rock Climbing (wall below), zip-lining, and horseback riding. Our students come back enthused about the experience and oftentimes find this to be the most memorable life experience they had in grade school.

Thank you for reading about our school.

LIFE TEEN

It has been an incredible semester of fun, faith and community with Life Teen and our new EDGE Middle School Youth Ministry. Our Life Teen retreat was an incredible time of authentic prayer and community, learning about how the Holy Spirit moves in our lives, and connecting our faith to beyond Sunday Mass. Thank you for your prayers! The young Church is alive and well and we can't wait to see how the Lord puts the teens at His service.

Here's what's going on this week.

December 19 - Life Teen. Birthday Boy, 6:30 - 8:30pm in Hall C

All teens are invited to join us for our final Life Night of 2021! We'll be celebrating the birth of the Lord in style – with plenty of ugly sweaters, games, prizes, and prayer. We can't wait to see you there!

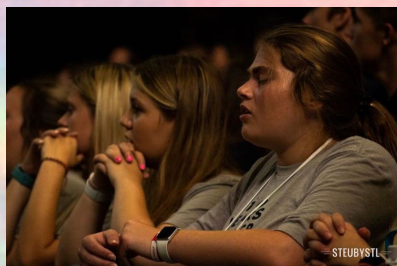

Alpha will return in January.

EDGE will return in January.

The Story of Mary, Mother of God

Mary's divine motherhood broadens the Christmas spotlight. Mary has an important role to play in the Incarnation of the Second Person of the Blessed Trinity. She consents to God's invitation conveyed by the angel (Luke 1:26-38). Elizabeth proclaims: "Most blessed are you among women and blessed is the *fruit of your womb*. Without naming Mary, Paul asserts that **"God sent his Son, born of a woman, born under the law"** (Galatians 4:4). Paul's further statement that **"God sent the spirit of his Son into our hearts, crying out 'Abba, Father!'"** helps us realize that Mary is mother to all the brothers and sisters of Jesus.

The precise title **"Mother of God"** goes back at least to the third or fourth century. In the Greek form *Theotokos*—God-bearer—it became the touchstone of the Church's teaching about the Incarnation. The Council of Ephesus in 431 insisted that the holy Fathers were right in calling the holy virgin *Theotokos*. At the end of this particular session, crowds of people marched through the street shouting: "Praised be the *Theotokos*!" The tradition reaches to our own day. In its chapter on Mary's role in the Church, Vatican II's *Dogmatic Constitution on the Church* calls Mary **"Mother of God"** 12 times.

Reflection: Other themes come together at today's celebration. It is the Octave of Christmas: Our remembrance of Mary's divine motherhood injects a further note of Christmas joy. It is a day of prayer for world peace: Mary is the mother of the Prince of Peace. It is the first day of a new year: Mary continues to bring new life to her children—who are also God's children.

December 19, 2021 — Fourth Sunday of Advent

MI 5:1-4A; PS 80: 2-3, 15-16, 18-19; HEB 10: 5-10; LK 1: 39-45

Our Blessed Mother takes center stage on this fourth Sunday of Advent, and fittingly so, as we draw near to the celebration of her Son's birth. After our Lord Himself, Mary is our model and guide to a stewardship way of life.

Today's Gospel passage from Luke describes Mary's actions immediately after her "yes" to the angel Gabriel's message. "Mary set out and traveled to the hill country in haste to a town of Judah... and greeted Elizabeth." Mary immediately begins to think of others before herself, setting out quickly to be with her cousin, modeling two of the pillars of stewardship – Hospitality and Service.

What warmth and humility the Mother of our Savior shows, traveling to Elizabeth to spend time with her, rejoicing with Elizabeth over her own incredible pregnancy, and assisting her in a time of need. And what joy this hospitality and service brings to Elizabeth.

Our Blessed Mother's example of a stewardship way of life is one that we, her children, can follow in our own lives today. With all the gifts God gives us — our time, our talents, our material possessions — we, too, can offer ourselves to God by using these gifts to serve and glorify Him. In so doing, we will effectively spread the Good News of the Gospel to the world around us today.

We will be stewards after our Mother's own heart.
