## Hello,

I just got back from vacation Monday evening and I noticed how nice our landscaping looked. I knew we were having a night inviting people to come up to the parish and help with weeding and trimming and numerous other jobs. I've been told we had about 50 people show up and everyone was kept busy. Thanks for the great job and I hope to be able to participate in future efforts.

I also have to thank numerous others for while I was gone, especially our office staff and particularly Monsignor McCumber. Both Fr. Patrick and I were gone for most of last week, yet things managed to keep going and I know I managed to have a relaxing vacation.

It is good to be reminded that just because we are gone for a few days, the world doesn't come to a stop. Things were being taken care of before we got here and will be after we go. That doesn't mean that what we do isn't important, and that I didn't have a stack of things waiting for me when I got back, but it also helps to keep in perspective that no matter who we are, we don't have to and don't do everything ourselves. That we are not being forced to do things because we have to, that we are making choices. Again, this doesn't mean that I don't have to do anything, but can help keep things in the right perspective at times. No matter who we are it can be easy to just continue taking on more and more tasks and responsibilities, until it can feel like we have to be doing everything, and the things we do take us over. But seeing that things do continue even when we aren't there can help us realize that maybe we do have the option to do something other than what seems to have taken over our lives. I was fortunate enough to take a vacation, a voluntary and self-imposed reminder of this. Sometimes we aren't so lucky and something forces us to stop for a while. It could be a medical issue. The pope even had to take a break and a short period in the hospital recently, and the Church didn't stop.

All of us should be able to recognize something due to COVID that suddenly changed outside of our control last year, and yet despite what some may say, the world didn't stop. There were some things that we identified that we had to keep going, but many that we realized we didn't or might have been forced to realize were not as important as we had thought before. For all of us, hopefully, we realize how much more we do depend upon one another and are supported by others. As I ended my vacation, as we are hopefully coming out of the worst of COVID, it is a good opportunity to be grateful for all that others do around us. To realize that we are not doing things on our own. It is also a good time to put things back into perspective and realize that whatever we do, we are making choices to do it. To not let circumstances around us overwhelm us, and to always consciously make our choices in line with our beliefs and our faith.

Peace,

**Fr. Nick**

# BLOOD DRIVE

## August 3rd!

### Assumption Blood Drive, **WE NEED YOU!**

Assumption Parish will be hosting another blood drive and you are encouraged once again to consider making a donation of the Gift of Life. You may donate if you have had COVID-19, if you are at least 14 days symptom free. There is no deferral period after receipt of the COVID vaccine. While all donations are important and will be gratefully accepted, there is a critical need for blood types O+, O-, and AB-.

ImpactLife (formerly Mississippi Valley Regional Blood Center) will be in the parish center on Tuesday, August 3, 3:00pm – 7:00pm, and we look forward to welcoming you there! If you have not donated blood since June 8, you are eligible to donate at this drive. **Donations must be by appointment only to accommodate social distancing.** All donors are automatically entered to win a \$500 gift card, with three winners named every week!

You may go to [www.bloodcenterIMPACT.org](http://www.bloodcenterIMPACT.org) (use sponsor code 9007) to schedule an appointment; or call MVRBC at 800-747-5401 for assistance in scheduling. Please visit [www.bloodcenter.org](http://www.bloodcenter.org) for information about COVID-19 protocols relating to blood donations. Mississippi Valley representative, Terry Deters, is also available to answer any questions you may have about donating. He can be reached at 314-852-3842. Parish coordinator, Mary Anne Robinson, can also be reached at 636-541-2823 to assist with scheduling.

“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.”

### Assumption Grounds Beautification Round 2!

Once again, we need volunteers to help us spruce up our landscaping, just in time for our 150th Anniversary events. Our first round, on July 19th, was a lot of fun and we accomplished so much! **Our second round will be on Tuesday, August 10, starting at 6:00pm.** Our main activity will be spreading mulch around trees and shrubs throughout the campus. If you or someone you know would like to help, please bring any equipment that might be useful: rake, shovel, gloves, wheelbarrow, etc.

If you have questions, please call Tim Schwane at 636-978-2299. *We hope to see you there!*

## Mops Caregivers Needed!

Do you love taking care of babies and toddlers? We need you! The Assumption MOPS group is looking for additional caregivers for our MOPS kids program! We meet the 2nd and 4th Wednesdays of the month from late August-May from 9:15-11:00am. If you or someone you know would be interested, please contact Emily Hentschel at 309-531-2515 or [ehentschel0326@gmail.com](mailto:ehentschel0326@gmail.com)

Please note: All caregivers must complete Protecting God's Children prior to volunteering.
