Hello,

Last week I mentioned our Parish Pastoral Planning and some of the people and goals we are considering for our four commissions (Worship, Service, Formation and Administration). This week I would ask you to consider how you might get involved. The Gospel for last Sunday and this Sunday challenges us, if we have a certain belief, then we need to act on that. If we believe in Jesus Christ and the Church that He founded for us on earth, and that He desires that we all be united one day in heaven, then we need to act on that. If we believe that all we have comes from God and He gives it to us for a purpose, then good stewardship is trying to discern why God gave us those gifts, and using them in the way he intended. As part of our pastoral planning, and changes from the pandemic, we have plenty of different opportunities that you might consider.

A few areas you might consider, that have returned are: Children's Liturgy of the Word – we are looking for volunteers for this program and we are interested in finding out which Masses parents would most prefer; Lectors, Sacristans, Extraordinary Ministers of the Eucharist – our need has increased with more people attending Mass; Welcoming Committee – this ministry has returned and it may be something for you. Along with many other options, we are looking for some new Parish Council members. If you've been active in the parish in various ways, this might be something you could bring your experience to help us on a parish wide perspective.

I am so grateful for all that parishioners do at our parish. It isn't just to get work done, but also to help us truly live as the Body of Christ.

Peace,

Fr. Nick

SPECIAL COLLECTION FOR HAITI

This weekend (Aug 28-29) we are taking a special collection to assist those in Haiti who were hit by an earthquake and then Tropical Storm Grace. All funds collected will go to the Bishops Emergency Disaster Fund to support Haitian relief through Catholic Charities USA and/or Catholic Relief Services.

NOMINATIONS NEEDED FOR PARISH COUNCIL

With some of our pastoral planning we are also restructuring our Parish Council. The Council will help the pastor to keep track of the progress of each commission, help them to work together as needed, and assist the pastor in making other decisions for the parish. The Parish Council is comprised of 12 people who will serve 3 year terms each, requiring 4 new people each year. I would ask that you consider if you or someone you know may be called to serve our parish in this manner.

To nominate yourself or someone else for the parish council please e-mail me at nicholaskastenholz@archstl.org. Once we have received our nominations we will have an evening where the nominees can find out more specifically what is involved as a parish council member to help them discern if this is appropriate for them. New council members will be drawn from those accepting their nomination at Mass.

Any questions... please contact me or any of our current Parish Council members.

Fr. Nick

Sacristan Ministry Help Needed

Sacristans (Pillar of Prayer - St. Francis) Mission Statement:

We are the host, the server, and the guest for the banquet of the Eucharistic celebration, prepared so that our parish community may experience Christ's love and bring Christ to the world.

Is God calling you to participate in the preparation of the Body and Blood of Christ to our parish community that we may become one as the Body of Christ for the entire World?

There is a great opportunity to become a part of the Sacristan ministry. Help is most needed in support of the 8:00 am daily Liturgy. Support at all of our liturgies are greatly welcomed.

Please contact: Vicki Briggs 314-518-4048
victoria.j.briggs@charter.net for any questions.

A Military Mission for Mary

If you are looking for a simple way to help spread your faith, please consider joining us on the last Wednesday of every month after the 8:00 am Mass, to make Military Rosaries. These rosaries are made and sent to our service men and women in combat zones, and those stateside preparing to be deployed. Since 2003, over 1 million combat rosaries have been sent to our armed forces around the world through their military chaplains. In the short time since we started this ministry, we have made over 900 rosaries, some of which we have made with and for children and young adults living in the local "combat zones" in the inner city of Saint Louis. Our new location for creating these rosaries, will be in the St. Vincent DePaul house just north of the church parking lot. We depend on donations and prayers to continue this effort, and would greatly appreciate your participation in our project. For more information, please contact Phyllis Rahe at 636-240-5285, 636-699-7167 or email phyllisrahe@hotmail.com.

WALK the TALK

August 29th– Twenty-second Sunday in Ordinary Time

DT 4:1-2, 6-8; PS 15:2-3, 3-4, 4-5; JAS 1:17-18, 21B-22, 27; MK 7:1-8, 14-15, 21-23

Our readings today call us to pause for a moment and consider how we respond to God's love for us each day.

Our Gospel recounts a dialogue between the Pharisees and Jesus. The Pharisees questioned why Jesus' disciples did not practice the ritual washing before eating a meal.

Jesus' response reminds us to ask ourselves 'why.' Why do we remain faithful to God's commands? Why do we pray or go to Mass? Why do

we participate in the sacraments? Why do we love others?

Often, we are living our faith a certain way out of obligation, fear, or duty. But Jesus reminds us that the greatest way to live out our faith is through love. Our faith has obligations to provide us opportunities to love, honor, and praise the Lord. They are meant to aid us on our personal journey with Jesus Christ.

St. James reminds us that every moment of each day is an opportunity to respond to God's infinite love for us with love and gratitude in return.

If we approach our relationship with Jesus with this in mind, then we begin to realize that the gift of the Mass is an opportunity to worship God, the sacraments are ways to draw us closer to Him and His commandments are opportunities to love Him more faithfully.

And if we approach our day-to-day moments with this in mind, then we begin to see just how many blessings God has given us. Looking at life through the lens of gratitude helps us to see each moment as a gift with endless opportunities to respond in love.

This is how we ought to live our lives as Christian stewards — by recognizing our lives as a gift and an opportunity to love God in response to how He has loved us.

From the Principal's Pen

Are you interested in being an Instructional Aide for Assumption?

Do you enjoy being with children, helping teachers in the classroom, and seeing children grow in faith and knowledge? If so, we might have the perfect job for you!

Assumption is looking for an Instructional Aide, to work with Grade 1 (two classrooms). The job does require that the individual has certification in Prevent and Protect (formerly known as Protecting God's Children), is a person of faith, able easily to maneuver through a classroom, bend and kneel to help students, stand for periods of time, has a positive attitude and is a team-player. It's ideal if applicants have experience working with children or have college credits in early childhood education – but this is NOT required.

Teachers will train the Instructional Aide on how to help students. Recess and Lunch duty are part of the day, along with working 1-1 with students on Math or Reading, or working in small groups with students. Of course there are other tasks that might be needed: copying papers, helping organize / distribute tests, etc.

Parents and Parishioners are welcome to apply. This is an hourly paid position making \$11.15/hour. This position has the option of part time hours or full time. Just let us know what works for you! The wage will increase to \$12 in our 22-23 school year. If a school parent accepts the position, they receive 25% off Kindergarten through grade 8 tuition. (No Pre-Kindergarten reduction possible). If interested call Dr. Pat Hensley at 636-240-4474 x 331, or email her at phensley@abvmtech.org.

Saving Fred – the Great 5th grade Experiment

Did you ever have a challenge that was so much fun that you had to tell someone? Today, I had two visitors to my office to talk about FRED, the great 5th grade challenge. Sallisa and Aiden, both 5th graders, provided their awesome experience in detail – and with much excitement.

Students in Mrs. Woytus' class were separated into groups of 3, with each member receiving a paperclip. She explained that their task would be to SAVE FRED. Of course, the students were asking, "Who's Fred? We don't know anyone named Fred!"

Sallisa & Aiden

The story goes, that Fred was on an ocean adventure, sailing the seas, when his boat capsized and he lost his lifesaver. Unfortunately, the lifesaver ended up under the capsized boat, with Fred perched on top of the boat's underside (which was above water level, thank goodness.) Their challenge was to get Fred off the boat and into the lifesaver (which had a very small hole to fit into), and then be placed inside the upright boat without using their hands at all.

Each member was given a sheet of paper with three questions:

- ♦ What do you think will happen?
- ♦ What steps do you think will be used to solve the situation?
- ♦ What is your hypothesis on accomplishing this task?

Then, after they completed their answers, Mrs. Woytus introduced them to Fred, their group's gummy worm!!! Each group also received a candy Lifesaver and a small plastic cup to re-enact the ocean's scene...capsized boat, lifesaver under boat, Fred the gummy worm on top of the boat's underside.

The groups thought carefully, knowing that each of them had a paperclip. They began the thinking of how to achieve the tasks at hand. It was especially difficult to figure out how to place Fred in the lifesaver hole. But eventually, each group realized that if each of them used their own paperclip and worked as a group, they could take Fred off the boat, turn the boat over, and then place Fred in the lifesaver and then back in the boat.

Lesson learned: Working together gets things accomplished.
